## Thanksgiving 2012

### *The Tradition Continues.....*

*Last year at the Thanksgiving season, I indicated that as Mayor I would like to continue our Thanksgiving tradition in the Community Center. I am happy to report that our effort was again a success. We fed Thanksgiving dinner to over 400 people. These were people from all walks of life, from inside and outside of our community who all gathered to make their Thanksgiving complete.*

*This Thanksgiving Day, I would like to continue the annual tradition of reaching out and providing Thanksgiving dinner, at no cost, to anyone who would like to join us. Most of us have busy plans with friends and family, but there are some who may be alone or in some other way in need. Starting at 11:00 a.m. and lasting until 2:00 p.m. on Thanksgiving Day, we want to celebrate Thanksgiving with whoever wants to join us.*

*I see this as Lindons' gift to those in need. Again, for the third year, I do not intend to use any taxpayer money, but instead cover the entire celebration with the continued generous donations from Lindon citizens and corporate sponsors. Last year Walmart and Murdock Hyundai offered large corporate donations, in addition to many of you who generously found a way to offer your support. I want to give anyone who is interested an opportunity to participate through time, money or food donations. There is a flyer enclosed in this city bill and links on our city website that indicate how you can participate in our celebration.*

*As we enter into this wonderful holiday season, may I thank you for all you do to make this community such a great place to live. You are each a part of the fabric that makes us what we are. You volunteer, you help others in need, and you are examples to those around you.*

*It is a pleasure and honor to serve as Mayor of the "Finest City in America." May you continue to be blessed with the good things in life that you seek.*

*Sincerely,*

*Your Mayor, Jim Dain*
