Thanksgiving 2013

The Tradition Continues.....

For the past several years, we have celebrated a new Thanksgiving tradition in our Community Center. I am happy to report that our effort was again a success. Last year we fed Thanksgiving dinner to over 400 people. These were people from all walks of life, from inside and outside of our community, who all gathered to make their Thanksgiving complete.

This Thanksgiving Day, I would like to continue the annual tradition of reaching out and providing Thanksgiving dinner, at no cost, to anyone who would like to join us. Most of us have busy plans with friends and family, but there are some who may be alone, or in some other way in need. Starting at 11:00 a.m. and lasting until 2:00 p.m. on Thanksgiving Day, we want to celebrate Thanksgiving with whoever wants to join us.

I see this as Lindon's gift to those in need. Again, as in years past, I want to cover the costs of the entire celebration with continued generous donations from Lindon citizens and corporate sponsors. Last year Walmart, Magleby's Fresh and Murdock Hyundai offered large corporate donations in addition to many of you who generously found a way to offer your support. I also want to give anyone who is interested an opportunity to participate, either through time, money or food donations. There is a flyer enclosed in this city bill, and links on our city website, that indicate how you can participate in our celebration.

It has been a pleasure and honor to serve you as Mayor of this great city. I will miss participating in the duties of Mayor. As we enter into this wonderful holiday season, may I thank you for all you do to make this community such a great place to live. Each of you are part of the fabric that makes us what we are. You volunteer, you help others in need, and you are examples to those around you.

May you continue to be blessed with the good things in life that you seek.

Sincerely,

*Your Mayor,
Jim Dain*
