

Frequently Asked Questions

Q. What is the address of the Lindon Cemetery?

A. The approximate address of the Lindon Cemetery is 555 North 200 East.

Q. How do I pick out a lot(s) (plots)?

A. There are two ways you can pick out lot(s). 1. Go directly to the Public Works Bldg. located at 946 W Center St. between the hours of 7 AM and 3:30 PM Monday thru Friday and choose your lot(s) off the cemetery map or 2. Call 801-796-7954 during those same hours to schedule a time when the Sexton can meet with you at the cemetery. Burial Rights Certificates must be filled out and signed whether there is a burial or not. Pay the fee at that time.

Q. If there is a death, what else do I need to do, beside picking out the lot(s)?

A. Come to the Public Works Bldg. and fill out the death report and pay the fee for interment at least 2 days before interment or ASAP.

Q. Do I have to pay for the lot(s) in full at time of purchase?

A. You only have to pay for the lot(s) in full if there has been a death, otherwise you may pay in full or opt to purchase them on a payment plan with 10% down. You will be billed monthly for the remaining balance and have 2 years to pay them off with an 8% yearly rate. The bill will come separate from your water bill.

Q. How is an infant or baby burial different or the same as an adult burial?

A. The lot for an infant is the same size and cost as an adult, however, the City will bury the infant in half the lot. The interment cost is less than an adult.

Q. Where do I purchase the headstone for the lot(s)?

A. You may purchase the headstone from the monument company of your choice. They will place the headstones on the lot. Lindon City does not do that. If you are purchasing a headstone from the Veterans Administration, you will be responsible for finding someone to place the headstone.

Q. Someone has taken items from the grave, what can we do?

A. If items are lost, stolen or discarded from a burial site, Lindon City is not responsible. Our Policies booklet specifically states not to put items on the graves so if done, it will be at your own risk. Flowers will be left on new graves for 5 days.

Q. We would like to have a cremation performed, are we allowed to put the urn in with a casket?

A. No. You must purchase a lot for the urn and two urns are permitted in a lot.

Q. Does the City allow double-depth burials?

A. No. Due to safety issues, the city does not allow double-depth burials.

Q. What constitutes a resident price?

A. As written in our code, "Residency shall be determined by the residency of the named owner as shown on the certificate at the time of purchases of burial rights.

Q. When does the additional cost take effect for interment?

A. The additional fee will be charged for any interment on Saturday or if your funeral service begins later than 12:30 PM on weekdays, there will be an additional charge.
