SPECIAL!
ANNIVERSARY EDITION

selectTM 150

IDT™ Absolutely even fabric feed

The time-tested PFAFF IDT™ System guarantees optimal feeding of all kinds of fabrics. Everything stays in place whether you are working with thin fabrics or multiple layers of heavy fabrics. Quilt blocks and seams will match perfectly. Sew smoothly and evenly over heavy seams on denim, with no problems.

△ **Easy Select System.**
Simply choose your stitch and sew.

△ **Free-motion sewing.**
Use the optional free-motion foot, simply place it in free-motion position and start.

△ **Professional buttonholes!**
Easy to do at desired length.

Stitch overview.
Open the lid – see all stitches with presser foot recommendation. ▽

▷ **Extra slender free arm.**
For working on tubular items, like sleeves, cuffs, trouser legs, necklines and more.

Included with the purchase of the machine:

The PFAFF® Anniversary Presser Foot Kit!

- ① **Piping Foot** – Add dimension to seams and edges for a professional finish; great for garments, home decor and more.
- ② **Couching/Braiding Foot** – Sew over yarn, decorative cording or narrow satin ribbons to create beautiful trims.
- ③ **7/9 Hole Cord Foot** – Sew up to nine lengths of embroidery floss, pearl cotton or other specialty threads in place with a decorative stitch.
- ④ **Decorative Trim Foot** – Apply flat trims with precision using your decorative stitches.
- ⑤ **Beading Foot** – Embellish your sewing project with strings of pearls.

150th anniversary
