15 **Motion to consider for adoption an order to restrict fireworks during July 2014: J Drew, second –**  
16 **R Call**

- 17 • J Russell explained the reason for the meeting. It was discussed as the last meeting; however it  
18 was not on the agenda. The attorney felt the Council should notice and hold a meeting. He felt  
19 this was something that had good intent but didn't feel it would make a difference.
- 20 • R Call felt it had been really dry from the 4<sup>th</sup> until now; he felt the City should take the  
21 precaution. He explained sometimes folks do not use best judgment when using fireworks. R Call  
22 was in agreement with the map used last year.
- 23 • B Bagley read a comment from J Baldwin which states he is against imposing fireworks  
24 restrictions within the City, but favors imposing restrictions in Providence Canyon or any other  
25 canyon.
- 26 • J Drew asked about the expiration in July.
- 27 • S Bankhead felt like this was a difficult order to enforce. This order is tied to an ordinance so  
28 citations could be issued.
