

ANN'S CHAT

In our Fall newsletter we announced changes we have made to keep our business strong during this slow economy. Some of these changes have proven most beneficial to you, our customers. We think the Preferred Club is one change we'll keep. (Join anytime for \$35 plus tax. Membership will give you a 15% discount whenever you shop for fabric and notions, and will expire one year from the day you enroll.)

The rewards program keeps track of your purchases of fabric and notions. When you spend \$500, we give you a \$25 gift certificate towards a future purchase. You don't have to keep track of anything, our computer will do it for you. We like seeing your expression when we surprise you with your earned gift certificate.

We're modifying our New Takes on Old Tricks program. We love the camaraderie. We love your Show and Tell. We love the hands on learnings and simple projects that result. Steve's food is always good. Starting in January, the two programs will be 9:30—11:30am and 12:30—2:30pm, with lunch served from 11:30—12:30. Steve will occasionally offer cooking classes as per your requests. In January he will give a program he calls "Cooking Tips and Recipes". Do join us.

We like our sew-ins. More and more are planned. Becky and Michele have The Late Sew (class # 21) on one Friday each month from 5pm—midnight. Tina and Sharon have Girls' Night Out (class # 4) one Friday from 5pm—midnight. I have Day At the Office (class # 1) many Mondays and a couple of mid-week days from 9:30am—4:30pm. Jane and I will start an occasional Sunday afternoon sew-in from 1—5pm. We call ours Sunday "Sewciety" (class # 35). Join us. It only costs \$10. You'll meet other sewing buddies and learn from each other. I promise you'll have a good time at any of our sew-ins.

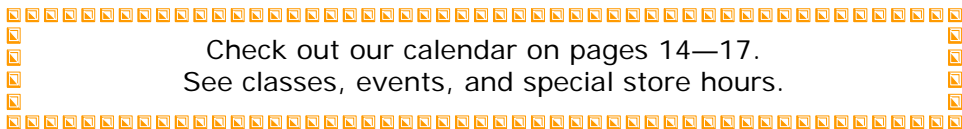

I'll turn 75 during this newsletter period. This business continues to bring me joy, which is why I don't retire. This is what I do. I continue to love my teaching and I find inspiration from each of you—my treasured customers.

Happy New Year. Happy Sewing.

Special Guest Teachers

GAIL GARBER

For Gail, quilting began as a whim, when friends convinced her to take a hand-quilting class. Quilt making quickly became a passion. Gail's early quilts are traditional with conservative fabric choices. By 1984, she began exploring original design. Her first effort, Azimuth, is a king-size medallion style quilt that features a Mariner's Compass in the center and variations of the compass throughout the quilt. This award winning quilt has been displayed at quilt venues throughout the U.S. and overseas.

Today, Gail lectures and conducts workshops to quilters throughout the U.S. and abroad. Her classes include instruction in color and composition and introduction to paper piecing and drafting, drawing and design.

Join Gail for a project from her newest book [Flying Colors](#). Class # 11.

KATIE PASQUINI MASOPUST

For nearly 30 years, Katie Pasquini Masopust has produced high quality contemporary art quilts that have been coveted and collected by a broad range of admirers. From her early beginnings as a painter dabbling in traditional quilt making, her work has evolved from structured Mandalas and mind-blowing dimensional pieces, to very painterly landscapes and abstracts executed with the finest fabrics and most creative stitching techniques.

Katie returns to us with another unique class using painted canvas to create a beautiful quilted project. Class # 45.

LINDA McGEHEE

Designer Linda McGehee has a diverse sewing background with over 40 years experience from making garments to handbags, piecing to heirloom, surface manipulation to combining a variety of methods into a sampler of various techniques. Linda has traveled the globe demonstrating and lecturing from her many books.

We are very fortunate to have her visiting our shop in February offering both a lecture and a handbag class featuring her wide variety of zippers available. See Class #s 41 & 42.
