NEWSLETTER

January through April 2013

## ANN & STEVE'S CHAT

Happy New Year to you, our loyal and wonderful friends. It is because of your support that we celebrate another year with our doors open to new and long time sewing friends and family. Thank you.

In our Fall newsletter, we told you about the new Bernina 7-series machines. We see the joy on our customers' faces as they get theirs. Have you come in to try these new machines? Wait no longer, financing options are available. You deserve the best.

Besides our many great classes, we are featuring a two day machine embroidery event. This national program is called "John Deer's Adorable Ideas." (No, it has nothing to do with tractors!) Baby Lock embroidery machines are featured. Machines and all supplies are provided—you don't even have to own an embroidery machine to attend. We hope you register early, you'll save money by doing so and guarantee you have a spot at this not to be missed event. See page 5 for all the details about this program.

We are pleased to announce the arrival of the new Miele S8 series of vacuum cleaners. Said best, "the Miele S8 vacuum cleaner series is lighter, quieter and offers improved cleaning performance over previous Miele vacuums. They include Miele-exclusive innovations such as Dynamic Drive wheels with integrated shock absorbers and inflated tires that absorb impact from grouted tile and thresholds, plus luxury touches such as three-dimensional felt bumpers to protect baseboards and even a model with a spotlight in the handle to better see while cleaning in dark areas." Come in and test drive this amazing new vacuum and change the way you clean.

As always, we are here to help and to learn from you, our valued customers and friends. We thank you for your continued support and look forward to visiting with you.

Fondly,

*Ann Silva*      *Steven Silva* ★
