NEWSLETTER

Summer 2014

**ANN & STEVE'S CHAT**

In the January through April 2014 newsletter, I asked the question "Why should you do business with Ann Silva's Sewing Center?" I then answered the question by telling you about our expertise and commitment to you – our customers.

This time I'd like to focus more on you – the customer. You have many choices for your shopping experience. We have seen many large chain stores go out of business in the last six years. Others have reduced the size of their stores, or cut the number of stores to remain profitable. It's easy to blame our poor economy for this, but I see another factor – the internet. Many consumers are shopping on line. It's just so easy. So – what can you not get on line? Service, service, service. You cannot see and touch products before buying. You miss the camaraderie found in classes that teach you how to use the products that you buy. As a retailer, we need your support. Visit our website [www.annsilva.com](http://www.annsilva.com). We need you to tell your friends about our service to you. We need you to "like" us on facebook. We have worked hard to become a Bernina Excellence dealer. We have achieved Baby Lock Elite status, and we're also one of the 10 top southwest dealers for Handi Quilter. As Ruskin said, "there is hardly anything in the world that some man cannot make a little worse and sell a little cheaper, and the people who consider price only are this man's lawful prey" We want to be here for you for a long time to come. Help us to grow our business. We ask you to give us the opportunity to give you the best service in the area. We will continue to work very hard to gain, and then keep your trust in us. We thank you for all the business you've brought us and even more for all the friendships over these 34 years.

Until next time, happy sewing.

Ann and Steve

### 17. GLIMPSES OF WILDERNESS

Lynn Rogers and Becky Welch  
Saturday, June 7 and  
Sunday, June 8  
9:30am - 4:30pm  
Two Sessions: \$96 + tax

Join Lynn and Becky in honoring the 50<sup>th</sup> Anniversary of the Wilderness Act by creating a small art quilt. Photographs taken in several New Mexico Wilderness areas will be the inspiration and starting place for a project that will include some or all of the following techniques: thread painting, raw edge appliqué, piecing, free motion needlelace, and fabric manipulation. Finished pieces will be displayed at the national conference celebrating the Wilderness Act held in Albuquerque this Fall. Quite fitting, since New Mexico is home to the very first Wilderness area, the beautiful Gila. Combine sewing and New Mexico's natural beauty and have a fun weekend!
