## ANN & STEVE'S CHAT

Did you attend the two-day John Deere embroidery event in March? It was totally amazing. Everyone who came (120 folks) reported that they had a great time and learned so much. Yes, we'll do it again next year.

Have you treated yourself to a demonstration of the Bernina 7 series machines? We continue to get rave reviews on the quality and performance of these new machines. Come see for yourself.

2013 is the year I've turned 77. Time for changes and to reflect on how fortunate I've been, with good health generally, a supportive husband and our son Steve, who is running this business so well. For me, it's a chance to "smell the roses." In March we sold our Sedona retreat and found a grand replacement in Maricopa, AZ. Our new home, in a gated community, has a clubhouse with, among other wonderful amenities, a sewing room with 12 Berninas! We are finding more activities to enjoy there already. Because it is a longer drive, we will stay several weeks at a time instead of several days.

What this means to Ann Silva's Sewing Center is less Ann and more Steve, who for some time now has been doing most of the hard work. I'll stay involved, believe me, and plan to be here for major events. I'll be in touch by phone or e-mail always. Our great staff and Steve make all this possible.

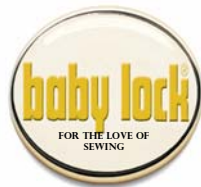

We look forward to our annual Camp Sew Fun for youngsters six and up. Classes are filling, so be sure to get your child or grandchild enrolled soon. The program runs June 3—August 2.

Until next time, Happy sewing.
