

Sewing Instructions:

1. Making the Blocks

Draw a diagonal line on the wrong side of (40) $6\frac{1}{2}$ " light print squares. Place a marked square on a $6\frac{1}{2}$ " medium to dark print square, with right sides together. Sew $\frac{1}{4}$ " away on both sides of the drawn line. Cut on the drawn line to make (2) light/dark half-square triangle blocks. Make a total of (80) light/dark half-square triangle blocks.

2. Assembling the Quilt

Refer to the Layout Diagrams; lay out the blocks in (10) rows of (8) blocks each in an arrangement that is pleasing to you. Sew the blocks together in each row. Join the rows.

3. Finishing the Quilt

Layer the backing (right side down), batting, and quilt top (right side up). Baste the layers together every 5" until the entire top is secured. Quilt as desired. Cut (5) $2\frac{1}{4}$ " x 42" strips from the $\frac{3}{4}$ yard of dark print fabric. Use these strips to bind the quilt.
