## Next Meeting

**March 25, 2015 \*\* Note Date Change \*\***  
**Sylvia Phippen**

Sylvia Phippen grew up in the San Francisco Bay Area and learned to sew from her mother. Sylvia studied tailoring and pattern making while raising her family in Massachusetts, where she owned a nursery as well as writing weekly gardening columns for the local newspaper. Later, after the kids grew up, Sylvia and her husband sold their farm and bought an old 40-foot sailboat, where she learned to quilt in cramped quarters.

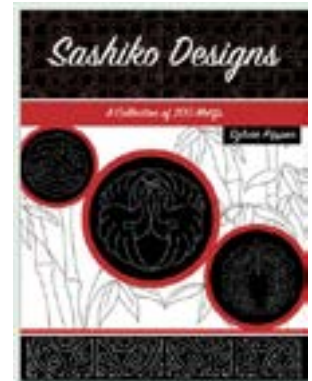

Sylvia will be giving a lecture on sashiko. What is sashiko?

Sashiko is a centuries-old Japanese art form in which a simple, large running stitch of heavy white cotton thread against a dark background can outline the most intricate design.

Sylvia teaches and designs patterns and fabric kits full time. To learn more about Sylvia:

## Next Workshop

**Mary Lou Weidman**  
**Saturday, February 21, 2015**

This is your chance to make a flower garden sure to impress your friends and family. Come and join Mary Lou Weidman as she shows you how to make different kinds of flowers and birds using her "hoochy mama" method of piecing. Color and fun are all part of this great workshop that lets you make flowers quickly and in a fun way. You will make as many different flowers and at least one bird, as the class time allows. Mary Lou has new flower patterns to show you this year also -- you'll LOVE the fun of all of this!

You may [order the Flower Power book online](#) or buy one at the workshop. You will love the results and whimsical happy look of these quilts -- no two are alike!

## Jobs & Jobettes

### President's Message

By Claudia Sammis

[especials@sbcglobal.net](mailto:especials@sbcglobal.net), 831-333-9133

Are you looking for adventure, good times, and a select group of interesting friends? Please read on because ...

It's that time of year again when your quilt guild is seriously trolling for members to volunteer for a myriad of jobs and jobettes. Are you willing to take on a job but no one has asked you? Why not be the aggressor here and truly volunteer? After all, isn't that the meaning of volunteer as opposed to the less noble conscript.

So ... Who should you call FIRST?

Quilt Show: April 10, 11, and 12 - Dee Davis, Volunteer Coordinator, 831-372-6454, cell 831-521-6506, [quilterdee@gmail.com](mailto:quilterdee@gmail.com). Volunteers are needed for 2-4 hour shifts for set up, take down, and all the jobs and hours in-between. Reminder, this year we will open on Friday, April 10, so consider taking a shift each day, if you can.

NEXT, do a little research at the links below and choose one or two of the MPQG jobs that might interest you.

MPQG Board and Coordinator Committees - Janyce Anderson, 2nd Vice President, 831-659-3505, cell 831-601-2160, [cvoaks2011@gmail.com](mailto:cvoaks2011@gmail.com).

To better understand the guild structure, see the organization chart at [www.mpqg.org/business/board/](http://www.mpqg.org/business/board/). To read the job descriptions, click the categories:

**Officers Standing Coordinators Coordinator Committees Special Positions**

I'm reminded of the Chicago saying regarding politics. Vote and vote often. Let's change that to volunteer and volunteer really often. Don't forget, you're about to embark on new adventures, good times, and adding to your select group of interesting friends. Hard to beat, eh?

We would like to welcome two new members to our guild:

Susan Moore and Catherine Toth

We would like to say good bye and best wishes to Maggie Wenzel who will be moving to Texas in March. Maggie has been a long time guild member and served as President from 1996-1998. She has given us many years of experience as a teacher at Back Porch Fabrics, leading a small quilting group at Meals on Wheels and pitching in on numerous quilt shows. We will miss you Maggie but wish you much happiness in your new home and lots of stitching with your daughters.

For any membership help or information, contact our Membership Chair, Noreen Nance [nor9215een@gmail.com](mailto:nor9215een@gmail.com) 831-915-3441

## Monterey Library Displays MPQG Quilts

By Carole Olsen, 831-372-9289

A special display of quilts is now showing in the lobby of the Monterey Library along with two posters to promote our Quilt Show.

The display was designed and hung by Tina Magill and Carole Olsen. A big thank you to the many MPQG quilters who generously shared their quilts.

Please! Stop by the library and admire their hard work. The library is located at the corner of Madison and Pacific in Monterey. Exhibit closes on Tuesday, March 31, 2015.

## Opportunity Knocks

By Sally Miller, [dsmiller13673@yahoo.com](mailto:dsmiller13673@yahoo.com)

Be a part of the 2016 Raffle (Opportunity) Quilt. Barbara Barrieau selected an easy "spook-tacular" design especially appealing to the hand embroiderer. For volunteers who picked up a pre-assembled kit at the guild meeting, the completed work MUST be returned at our next meeting on Wednesday March 25. Thanks again to Barbara for leading us again in the creation of our 2016 Raffle Quilt.

## Quilting Under The Influence...

MPQG members Carolyn Ticknor & Kathy Del Beccaro are having a show at Back Porch Fabrics. See the event calendar on page 5 for additional details.

## BIG NEWS ! DIY Garage Sale at Quilt Show

By Terann Carr, Garage Sale Chair, [cacarrs@sbcglobal.net](mailto:cacarrs@sbcglobal.net)

The big news is that we have a larger space this year and will be accepting all quilting and sewing related items IN GOOD CONDITION.

Start sorting and rolling that extra fabric! Read the DIY Garage Sale Guidelines on the next page. Thanks for your co-operation. We want the garage sale to be attractive and inviting as opposed to the flea market look. I'm sure the Garage Sale will be even more successful this year.

## Prep Get Together - March 28

Join me to measure, mark, tape ... and, to get a first-look at what will be available at the Quilt Show Garage Sale. Call for directions and details.

## DIY Garage Sale

By Terann Carr, Garage Sale Chair, [cacarr@sbcglobal.net](mailto:cacarr@sbcglobal.net)

It's time to de-stash those unloved or 'what was I thinking' fabrics and other sewing items for the Quilters Garage Sale at the 2015 Quilt Show. This is a great fundraiser, so let's keep it going. Good News! Because we have a larger space this year, we will be accepting **all quilting and sewing related items**.

**We'll begin accepting fabrics at Chautauqua Hall on Thursday morning April 9th, 2015.**

Follow these guidelines and support the garage sale!

### Quilters Garage Sale Guidelines

- All quilting and sewing related items IN GOOD CONDITION please!
- Send fabrics that are free of any and all odors.
- All fabric must be measured, rolled, taped (blue painters tape) or stapled into zip lock bags. Questions? Check out guidelines below. Loose fabrics will not be accepted.

#### THE BIG PICTURE

##### **Measuring, Folding and Rolling**

- One fabric per roll.
- Exception: if you have a coordinated set of fat quarters, these can be taped in a stack.
- Please fold fat quarters and use a piece of tape to secure the fold. This way they are easily recognizable.
- One piece folded selvage to selvage:
- Measure along selvage to nearest complete increment of yardage. If there is just a bit left, describe it as \_\_\_+ yards
- Using same measuring process as above, if there is a lot left, you can guess the additional amount for a total.
- Fabric that measures 2 yards or more may be folded instead of rolled. Please measure and tape the fold. Write yardage on blue painters tape. These will go on a "flat fold" table.

##### **Examples of measurements:**

- Fat Quarter+ (approximately 18"x22")
- 2 yards (2 yards measured along selvage)
- 2 yards+ (2 yards plus more than a ¼ yard)
- 2 yards total (multiple pieces of same fabric: 1 full yard plus pieces that equal 1 yard)

If your fabric is smaller than ¼ yard or a fat quarter, or you have the same fabric in multiple pieces, please put in zip lock bag

A variety of scrap fabrics may be submitted in quart-size zip lock bags. These bags must be marked and stapled shut.

##### **Marking**

- Wrap/secure rolled or folded fabric with painters tape.
- Write measurements on tape used to secure fabric
- Coordinated fat quarters may be taped in a stack
- Scrap fabrics submitted in a zip lock bag must be marked as "Scraps" and the bag stapled shut.

An example of how the fabrics should be rolled & marked.

Please contact me if other arrangements need to be made for turning in your treasures.

## Mini Quilts for the Raffle

By Tina Magill, [magill1242@gmail.com](mailto:magill1242@gmail.com)

IT'S TIME.....to start thinking about a mini quilt for the raffle at the Quilt Show.

Again this year, we will have a mini quilt raffle and we need your quilt!

The 'rules' are almost the same: size small (tiny to up to 30" square), any subject, technique, theme, etc (Roosters seem to be very popular!). AND, new this year, we will require a label (way too many folks asked who made the quilt and often ticket sellers had no idea)...nothing fancy, even just a signature on the front.

## Board Minutes
