

Smoking Policy

It is the policy of the Town of Randolph to provide a working environment which is in compliance with the Utah Clean Air Act for employees and the general public. The Town of Randolph will follow the Utah Clean Air Act provisions by prohibiting smoking indoors. Employees failing to comply will be subject to discipline, including termination.

It is also policy of the Town of Randolph that all equipment and motor vehicles that belong to the Town will also prohibit smoking when operating said equipment. Employees failing to comply will be subject to discipline, including termination.
