

Thayne Hupp, Hansel Valley Resident. As I've gotten older I've learned how valuable time is. A couple of months ago the only thing I knew about the planning and zoning committee was, there is one. I didn't even know my neighbor of 40 years was a member who sits on that committee. After being involved with just one item on your agenda, I appreciate the time and expense you donate to the citizens of Box Elder County. Thank you very much.

A handwritten signature in cursive script, appearing to read "Thayne Hupp". The signature is written in black ink and is positioned below the main body of text.
