Founded in 1997 by Carol Veillon, *Quiltmania, The Quilt Magazine*, is a thriving little business nowadays, that requires all the hard working energy of a passionate and enthusiastic team to publish the magazine every other month in 3 languages (French, Dutch and English), Special Season Issues in French and English but also an average of 8–10 quilt books every year.

In June 2008, we moved into our new premises with quilts on the walls and a beautiful Japanese garden in the Pays de Loire area, very close to Nantes.

For \$84/ or 6 issues a year, we invite you to join our Quilt Club focus on *Quiltmania* magazine as it explores the works from a worldwide arena, from Europe to Australia, U.S and Japan, this publication exposes us to a broad range of international quilt artists and their contributions to

patchwork in a worthy publication. Learn more from Carol and her staff in France.
