RESIDENCE ELIGIBILITY REQUIREMENTS

Each local Little League determines the actual geographic boundaries of the area from within which it shall select players. These boundaries must be described in detail and shown on a map and dated when making application for a Little League charter. Players will be eligible to play with that league only if they reside within the boundaries provided to and approved by Little League Baseball, Incorporated.

A player will be deemed to reside within the league boundaries if:

A. His/her parents are living together and are residing within such league boundaries, OR;

B. Either of the player's parents (or his/her court-appointed legal guardian) reside within such boundaries. It is unacceptable if a parent moves into a league's boundaries for the purpose of qualifying for tournament play.

"Residence," "reside" and "residing" refers to a place of bona fide continuous habitation. A place of residence once established shall not be considered changed unless the parents, parent or guardian makes a bona fide change of residence.

Residence shall be established and supported by documents from THREE OR MORE of the following categories to determine residency of such parent(s) or guardian:

1. Driver's License
2. Voter's Registration
3. School records
4. Welfare/child care records
5. Federal records
6. State records
7. Local (municipal) records
8. Support payment records
9. Homeowner or tenant records
10. Utility bills (i.e., gas, electric, water/sewer, phone, mobile phone, heating, waste disposal)
11. Financial (loan, credit, investments, etc.) records
12. Insurance documents
13. Medical records
14. Military records
15. Internet, cable or satellite records
16. Vehicle records
17. Employment records

Note: Example – Three utility bills (three items from No. 10 above) constitute only ONE document.

It is recommended that the league require some proof of residence within the league's boundaries at the time the player registers. Players and their parents/guardians are advised that a false statement of residence may lead to ineligibility to play Little League Baseball or Softball. Under NO circumstances does ANY person have the authority to grant a waiver that allows a child to play in a local Little League program IN ANY DIVISION, when that child does not qualify under these residency requirements.

If the claim for residency is challenged, three of the above materials must be submitted to Little League Baseball, Incorporated, with an affidavit of residency from the parent(s) or guardian, which shall decide the issue, and that decision will final and binding. Residency documents must illustrate that the residence (as defined above) was inside the league's boundaries for at least one-half of the regular season (as of June 15 of the year in question).

Tournament Requirement for Non-Citizens: *A participant who is not a citizen of the country in which he/she wishes to play, but meets residency requirements as defined by Little League, may participate in that country if:*

1. his/her visa allows that participant to remain in that country for a period of at least one year, or;
2. the prevailing laws allow that participant to remain in that country for at least one year, or;
3. the participant has an established bona fide residence in that country for at least two years prior to the start of the regular season.

Exceptions can only be made by action of the Charter Committee in Williamsport. Any request for a waiver pertaining to the eligibility of a player must be submitted in writing, by the president of the local Little League through the district administrator, to their respective Regional Director not later than the date prescribed in Regulation IV (j). Requests submitted after that date will not be considered.

Proof-of-Age Requirements

Acceptable Forms Of Proof Of Birth Date

1. Original proof of age document, if issued by federal, state or provincial registrars of vital statistics in the country in which the Little Leaguer is participating.
2. If country of participation differs from the country of proof of age document, original proof-of-age document issued by federal, state or provincial registrars of vital statistics, or local offices thereof, are acceptable proof of age, provided the document was filed, recorded, registered or issued within one (1) year of the birth of the child.
3. An original document issued by federal, state or provincial registrars of vital statistics, or local offices thereof, listing the date of birth, with reference to the location and issue date of the original birth certificate, is acceptable. (The original birth certificate referenced must have been filed, recorded, registered or issued within one (1) year of the birth of the child.) Also issued by these agencies are photocopies of the certificate of live birth with the certification also photocopied, including the signature, and include the seal impressed thereon. Such documents are acceptable without "live" signatures, provided the original filed, recorded, registered or issued date of the birth certificate was within one (1) year of the date of birth.
4. For children born abroad of a parent or parents who are U.S. citizens, any official government document issued by a U. S. federal agency or service, is acceptable. For military dependents, Department of Defense identification cards and military hospital certificates are acceptable. These must be originals, not copies, and must refer to a filing, recording, registration, or issue date that is within one (1) year of the birth of the child.
5. A "Statement in Lieu of Acceptable Proof of Birth" issued by a District Administrator is acceptable.

NOT ACCEPTABLE AS SOLE PROOF OF BIRTH: Baptismal Certificate; Certificate of Blessing; Certificate of Dedication; Certificate of Circumcision, etc.; Hospital Certificate; photocopied records; passports.

Note: Little League International has authorized the Regional Directors for Latin America, Europe (including Middle East and Africa), and Asia/Pacific, to adopt a policy that excludes No. 1 above. Local Little Leagues and districts in those regions will be informed of the regional policy.

How To Obtain Acceptable Documents

Proving Date Of Birth

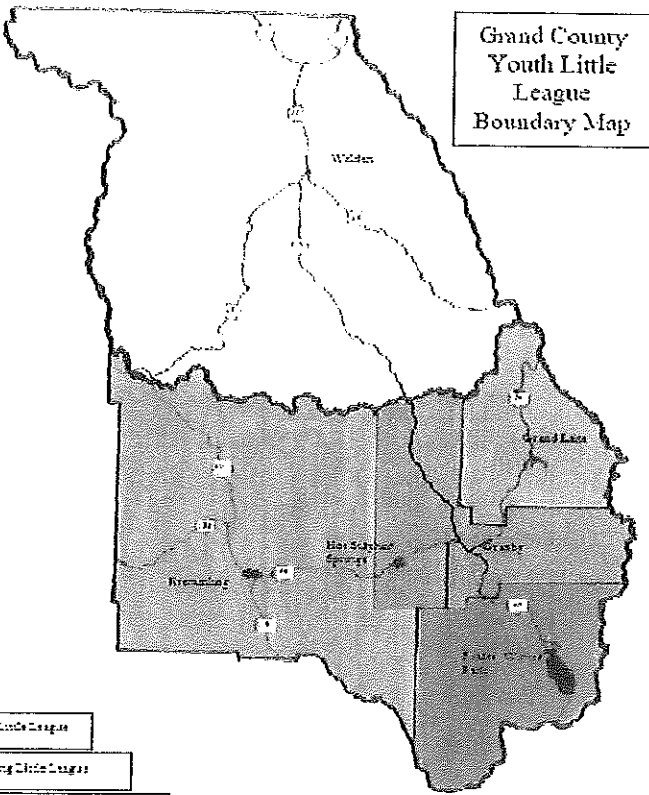

Certified copy-of-birth records may be obtained from the Registrar of Vital Statistics of each state, province or local office where the child was born. For U.S.-born persons, addresses of these offices or bureaus, fees required, and other pertinent information are supplied by the United States Department of Health and Human Services (National Center for Health Statistics). A database listing the method for obtaining birth records from any U.S. state or territory is available at the following Internet address:

<http://www.cdc.gov/nchs/howto/w2w/w2welcom.htm>

Individual states may also have on-line instructions on how to obtain "rush" birth records. To find out a state's latest policies regarding birth records, go to the Internet site listed below and type "birth records" into the search field, designate the appropriate state, then click on "SUBMIT."

<http://www.firstgov.gov/>

Persons in the U.S. who need a copy of a non-U.S. birth record should contact the Embassy or the nearest Consulate of the country in which the birth occurred. Addresses and telephone numbers for these offices are listed in the U.S. Department of State Publication 7846, "Foreign Consular Offices in the United States," which is available in many local libraries. Copies of this publication may also be purchased from the U.S. Government Printing Office, Washington, DC 20402. Such proof-of-birth records must meet the criteria for acceptable proof listed above.
