CHAPTER 9 - DIVISION PROPERTIES

ARTICLE I - GENERAL PROVISIONS

#900 - REGULATIONS APPLICABLE TO ALL DIVISION PROPERTIES, EXCEPT STATE TRUST LANDS

A. DEFINITIONS

1. "Aircraft" means any machine or device capable of atmospheric flight, including, but not limited to, airplanes, helicopters, gliders, dirigibles, balloons, rockets, hang gliders and parachutes, and any models thereof.
2. "Water contact activities" means swimming, wading (except for the purpose of fishing), waterskiing, sail surfing, scuba diving, and other water-related activities which put a person in contact with the water (without regard to the clothing or equipment worn).
3. "Youth mentor hunting" means hunting by youths under 18 years of age. Youth hunters under 16 years of age shall at all times be accompanied by a mentor when hunting on youth mentor properties. A mentor must be 18 years of age or older and hold a valid hunter education certificate or be born before January 1, 1949.

B. Public Access to State Wildlife Areas

1. Only properties listed in this chapter are open for public access. The Director may open newly acquired properties for public access for a period not to exceed nine (9) months pending adoption of permanent regulations. In addition, the Director may establish and post restrictions based upon consideration of the following criteria:
 - a. The location and size of the area.
 - b. The location, type and condition of roads, vehicle parking areas and the number and type of sanitary facilities available.
 - c. The number of users and vehicles the area will tolerate without significant degradation to wildlife resources, and public or private property.
 - d. Opportunity to assure public safety, health and welfare.
2. If a property is opened for public access pursuant to this provision, the property shall be posted with a list of applicable access restrictions. It shall be unlawful for any person or vehicle to enter any such property, except in accordance with its posting and the applicable restrictions.

C. Prohibited Activities

Except as specifically authorized by contractual agreement, official document, public notice, permit or by posted sign, the following activities are prohibited on all lands, waters, the frozen surface of waters, rights-of-way, buildings, and other structures or devices owned, operated, or under the administrative control of the Division of Wildlife:

1. To enter, use, or occupy any area or portion thereof for any purpose when posted against such entry, use, or occupancy.
2. To enter, use, or occupy any area for any commercial purpose or to conduct land, water, oil, gas, or mineral investigations, surveys, or explorations of any kind.
3. To operate any form of vehicle (motorized or non-motorized) except on established roads or within designated camping or parking areas. All motor vehicles and the operators

thereof must be in compliance with all Colorado statutes and regulations pertaining to motor vehicle operation.

4. To operate a motor vehicle in excess of posted speed limits or in excess of 25 miles per hour where not posted.
5. To leave a camp, pitched tent, shelter, motor vehicle, or trailer unattended for more than 48 hours, or to camp or to park a travel trailer or camper on any one state wildlife area for more than 14 days in any 45day period.
6. To build, erect, or establish any permanent structure or to plant any vegetation. Only portable blinds or tree stands and steps may be erected by the public on state wildlife areas. No nails may be driven into trees. All man-made materials used for blinds or tree stands must be removed within 10 days after the end of the season in which they are used.
7. To remove, modify, adjust, deface, destroy, or mutilate any building, structure, water control device, fence, gate, poster, notice, sign, survey or section marker, tree, shrub or other vegetation or any object of archaeological, geological, or historical value or interest.
8. To litter in any form, to leave fish, fish entrails, human excrement, waste water, containers or cartons, boxes or other trash, garbage or toxic substance on any area or to bring any household or commercial trash, garbage or toxic substance to a Division-controlled area for disposal, or to dump trailer waste into any toilet or sanitary facility.
9. To set or build a fire without provision to prevent the spreading thereof, or to leave a fire unattended.
10. To release or allow livestock to graze or range on any area, except that horses, mules, llamas, and burros may be used when in direct association with wildlife recreational activities.
11. To possess, use or apply explosives (other than lawful firearm ammunition), poisons, herbicides, insecticides or other pesticides.
12. To release wildlife or privately-owned game birds, except privately-owned game birds released for field trials, including group dog training, or on those state wildlife areas where release for dog training is specifically authorized in #901.A of these regulations; or to permit dogs, cats, or other domestic pets to run at large (not on a leash) on any area, except dogs lawfully used while actively hunting, or while training dogs for hunting, or during Division licensed field trials.
13. To excavate or dig trenches, holes, or pits.
14. To leave vessels beached, at anchor, moored or docked unattended overnight, except in areas designated for that purpose.
15. To fish from Division-controlled boat ramps or boat docks when in conflict with boaters or as posted.
16. To snorkel, scuba dive, or spearfish with the aid of diving mask, swim fins, snorkel, and/or air tanks, except in waters where swimming is permitted, when location is properly identified by a "divers down flag," and when the scuba diver has a valid S.C.U.B.A. diver's certificate issued by a recognized S.C.U.B.A. training organization.
17. To engage in any unlawful conduct or act as defined in Title 18, C.R.S.

18. To utilize any air or gas inflated floating device as a means of transportation upon or across the surface of the water unless such device is of multi-compartment construction and has a rigid motor mount for those devices propelled by gasoline or electric motors. Single compartment air or gas filled flotation devices are restricted to designated swimming areas.
19. To promote, sponsor, or conduct or participate in boat regattas, paintball shooting, questing, or other non-wildlife oriented activities.
20. To launch or land any aircraft.
21. To leave any decoys or anything used as decoys set up in the field or on the water overnight.
22. To swim, except in designated waters or in association with specifically authorized water contact activities.
23. To discharge a firearm or bow within designated parking, camping, or picnic areas.
24. To possess the following types of ammunition and/or firearms: tracer rounds, armor-piercing rounds, military hardened rounds with explosive or radioactive substances, .50 caliber BMG rounds, or fully automatic firearms.
25. To fish in any waters within the any Division fish hatchery, rearing, or distribution unit, including but not limited to, streams, rearing ponds, holding areas, and raceways, except in designated areas of these properties which are managed for public fishing; and to fish in fish rearing ponds on any other Division property, as posted.
26. To possess, store, or use hay, straw, or mulch which has not been certified as noxious weed free in accordance with the Weed Free Forage Crop Certification Act, Sections 35-27.5-101 to 108, C.R.S., or any other state or province participating in the Regional Certified Weed Free Forage Program. See Appendix A of this chapter. All materials so certified shall be clearly marked as such by the certifying state or province. Exempted from this prohibition are persons transporting such materials on Federal, State, or County roads that cross CDOW property; and hay produced on the property where it is being used.
27. Upon notification by authorized Division of Wildlife personnel of a violation of any of the above (or any other law of the State of Colorado) and where the unlawful activity is not immediately and permanently discontinued or if it is of a continuing nature, the violator(s) may be required to leave the Division of Wildlife property for a minimum of 72 hours.
28. To trap, unless such trapping is done in accordance with the provisions of 33-6-204 (General Exemptions), 33-6-205 (Exemptions for Departments of Health), 33-6-206 (Nonlethal Methods Exemptions), #901 and Chapter 3 of these regulations. Persons wishing to use the above-mentioned exemptions must have prior authorization from the Division of Wildlife.
29. To conduct field trials or group dog training without first obtaining a field trial license, in accordance with the provisions of Chapter 8 of these regulations.

D. Limitation of People and Vehicle Usage

1. The Director of the Division of Wildlife may establish and enforce a limitation not to exceed sixty (60) days, on public occupancy of the land and water areas owned or leased by the Division.

The Director shall use only the following criteria when establishing such limitation:

- a. The location and size of the area.
 - b. The location, type and condition of roads, vehicle parking areas and the number and type of sanitary facilities available.
 - c. The number of users and vehicles the area will tolerate without significant degradation to wildlife resources, and public or private property.
 - d. Opportunity to assure public safety, health and welfare.
2. Whenever such limitation is exercised, the area(s) involved shall be posted indicating the specific number of persons or vehicles permitted within the area at all times when such area is posted. It shall be unlawful for any person or vehicle to enter any such area(s) posted as being fully occupied or after being advised by an officer of the Division that the area is full.
 3. The Division may waive these restrictions for daytime use during a specified period of time for organized supervised groups whose numbers exceed the limitations set forth. Written approval must first be obtained from the appropriate Regional Manager.

E. Closure of Properties to Public Use

1. The Director of the Division of Wildlife may establish and enforce temporary closures of, or restrictions on, lands or waters owned or leased by the Division, or portions thereof, for a period not to exceed nine months, when any one of the following criteria apply:
 - a. The property has sustained a natural or man-made disaster such as drought, wildfire, flooding, or disease outbreak which makes public access unsafe, or where access by the public could result in additional and significant environmental damage.
 - b. The facilities on the property are unsafe.
 - c. To protect threatened or endangered wildlife species, protect wildlife resources from significant natural or manmade threats, such as the introduction or spread of disease or nuisance species, changing environmental conditions or other similar threats, protect time-sensitive wildlife use of lands or waters, or facilitate Division-sponsored wildlife research projects or management activities.
2. Whenever such closure is instituted, the area(s) involved shall be posted indicating the nature and purpose of the closure. It shall be unlawful for any person or vehicle to enter any such area(s) posted as closed.

F. Criteria for Activities Requiring Express Authorization - Whenever an activity requires expressed authorization (e.g. target practice) the Division shall grant or deny permission based on consideration of public safety and wildlife resource protection.

G. Commercial Use of State Wildlife Areas

1. Except as provided herein, commercial use of state wildlife areas, including, but not limited to, the provision of any goods or services to members of the general public using the state wildlife area, is prohibited. However, commercial uses of state wildlife areas may be allowed by the Division when:
 - a. such commercial use will not adversely impact wildlife resources or habitat;
 - b. there is a demonstrated need for the goods or services to be provided as part of such commercial use;

- c. such commercial use will not unreasonably interfere with the primary wildlife related recreational uses of the state wildlife area by members of the general public;
 - d. the state wildlife area, and its existing facilities, can safely accommodate such commercial use; and
 - e. Such commercial uses may be exclusive or nonexclusive, as determined by the Division to be necessary for the proper management of the state wildlife area in light of the criteria set forth above and the compensation provided to the Division.
2. Prior to making any commercial use of a state wildlife area, a person must enter into a commercial use contract with the Division providing for such use. Such contract shall, at a minimum, include provisions regarding:
 - a. the specific goods or services to be provided;
 - b. user number restrictions;
 - c. seasonal or time restrictions;
 - d. record-keeping requirements, including, but not limited to, a requirement that the contractor maintain records regarding the goods and services provided, the date(s) and time(s) the person provided these goods and services on the property, and the number of goods or services provided, by user day, for a period of at least three years. Such records shall be available for inspection by the Division;
 - e. compensation to the Division: a minimum fee equal to 5% of the gross income generated by the activity shall be paid to the Division, but in no event shall any fee for a commercial use contract be less than \$100. The \$100 minimum shall be paid at the time the contract is signed;
 - f. the term or length of the agreement, and a provision providing for cancellation or termination of the agreement for any failure to comply with the terms and conditions of the agreement and any applicable laws;
 - g. any other provision necessary to protect wildlife resources, habitat or public safety, to prevent conflict with primary wildlife related recreational uses of the state wildlife area by the general public or to properly administer the commercial use and the commercial use contract, including bonding requirements.
 3. Incidental commercial services such as the renting of pack animals or their services to remove harvested animals; emergency vehicle repairs or tow services; or other similar incidental services may be provided to wildlife recreational users without a commercial use agreement when the service is relatively infrequent, the provider does not advertise for or solicit business specifically for a state wildlife area and maintains a separate place of business, and the service is not one for which the provider is required by law to obtain a guide or outfitter license.

H. Special (Non-Wildlife Related) Use of State Wildlife Areas

1. Except for uses or activities otherwise specifically prohibited by these regulations, the Division may allow special (non-wildlife related) uses of state wildlife areas. Special uses may only be allowed if:
 - a. such use will not adversely impact wildlife resources or habitat;
 - b. such use will not interfere with wildlife-related recreational uses of the state wildlife area by members of the general public;
 - c. such use is non-commercial in nature; and
 - d. the state wildlife areas, and its existing facilities, can safely accommodate such use.
2. Prior to making any special use of a state wildlife area, a person must enter into a special use agreement with the Division. Such agreement shall, at a minimum, include provisions regarding:
 - a. the nature of the special use;
 - b. user number restrictions;
 - c. time and date restrictions;

- d. compensation to the Division: A minimum fee of \$100 shall apply to all special use agreements, but in no event shall the compensation received by the Division be less than the costs of administering such use, including, but not limited to, staff time;
- e. cancellation or termination of the agreement for any failure to comply with the terms and conditions of the agreement and any applicable laws; and
- f. any other provision necessary to protect wildlife resources, habitat or public safety, to prevent conflict with primary wildlife related recreational uses of the state wildlife area by the general public or to properly administer the special use and the special use agreement, including bonding requirements.

ARTICLE II - PROPERTY-SPECIFIC PROVISIONS

#901 - PROPERTY-SPECIFIC REGULATIONS

(See Appendix B for a list of properties without property-specific regulations, to which only restrictions in #900 apply)

A. Except as specified in #901.A.1 below, on those properties which have reservations available or required, reservations may be made by calling 1-800-846-9453. Reservations are not accepted more than 14 days in advance of the hunt date, nor after 12:00 noon on the day before the hunt date, or Friday at 12:00 noon for Sundays and holidays falling on Monday. Hunters who wish to cancel a reservation must do so no later than 12:00 noon on the day before the hunt date. Failure to hunt a reserved area without prior cancellation, or follow check station procedures, may cause forfeiture of the privilege to make reservations for the remainder of the hunting season. Hunters are limited to a maximum of one reservation per hunt date and one reservation per phone call. Hunters must possess a valid license for the species to be hunted in order to make a reservation. Reservations are not transferable. The individual named on the reservation must be at the property on the day of the hunt and be a licensed hunter for the species to be hunted. Hunters with reservations may only hunt the hunt area specified on the reservation.

ARTICLE III - STATE TRUST LANDS

#902 REGULATIONS APPLICABLE TO ALL STATE TRUST LANDS LEASED BY THE DIVISION OF WILDLIFE

A. DEFINITIONS

1. "Youth mentor hunting" means hunting by youths under 18 years of age. Youth hunters under 16 years of age shall at all times be accompanied by a mentor when hunting on youth mentor properties. A mentor must be 18 years of age or older and hold a valid hunter education certificate or be born before January 1, 1949.

B. Public Access to State Trust Lands Leased by the Division of Wildlife

1. Public access is prohibited from March 1 through August 31, unless otherwise posted.
2. All newly enrolled properties are closed to public access until September 1 of the year of enrollment, unless otherwise posted.
3. Public access is prohibited from one-half (1/2) hour after sunset to one-half (1/2) hour before sunrise, except as posted, in accordance with the lease agreement with the State Land Board.
4. Public access is restricted to hunting, fishing, and watchable wildlife activity.

C. Prohibited Activities

Except as otherwise provided in these regulations, the following provisions apply to all State Trust Lands leased by the Division of Wildlife:

1. It is unlawful for any person to enter, use or occupy any area or portion thereof for any purpose when posted against such entry, use or occupancy.
2. Motorized vehicle use is restricted to designated roads.
3. Littering is prohibited. All trash must be packed out by State Trust land users.
4. Camping and fires are prohibited, unless otherwise posted.
5. Access is by foot or horseback only, unless otherwise posted.
6. No outfitting or non-wildlife related public access is permitted.
7. Target practice or non-hunting-related shooting is prohibited.
8. It is unlawful to possess the following types of ammunition and/or firearms: tracer rounds, armor-piercing rounds, military hardened rounds with explosive or radioactive substances, .50 caliber BMG rounds, or fully automatic firearms.
9. It is unlawful to possess, store, or use hay, straw, or mulch which has not been certified as noxious weed free in accordance with the Weed Free Forage Crop Certification Act, Sections 35-27.5-101 to 108, C.R.S., or any other state or province participating in the Regional Certified Weed Free Forage Program. See Appendix A of this chapter. All materials so certified shall be clearly marked as such by the certifying state or province. Exempted from this prohibition are persons transporting such materials on Federal, State, or County roads that cross State Trust Lands leased by the Division, and hay produced on the property where it is being used.

D. Criteria for Posting Prohibited Activities

When these regulations provide that an activity is prohibited, except as posted or permitted as posted, the Division of Wildlife may control these activities by posting signs. The Division of Wildlife shall apply the following criteria in determining if an activity shall be restricted or authorized pursuant to posting:

1. Public safety.
2. Proximity to a calving or lambing area.
3. Proximity to a corral, loading chute or similar structure maintained for the purpose of handling domestic livestock.
4. Proximity to private structures such as outbuildings, houses, barns, storage sheds or similar structures.
5. Proximity to agriculture equipment.
6. Whether protection of roads or trails is necessary to prevent excessive damage caused by human use
7. Negative impacts on wildlife resources or domestic livestock, or agricultural products.
8. Whether the area can provide additional public benefits and remain consistent with all applicable agreements.

E. Closure of Properties to Public Use

1. The Director of the Division of Wildlife may establish and enforce temporary closures of, or restrictions on, lands or waters leased by the Division from the State Land Board, or portions thereof, for a period not to exceed nine months, when any one of the following criteria apply:
 - a. The property has sustained a natural or man-made disaster such as drought, wildfire, flooding, or disease outbreak which makes public access unsafe, or where access by the public could result in additional and significant environmental damage.
 - b. The facilities on the property are unsafe.
 - c. To protect threatened or endangered wildlife species, protect wildlife resources from significant natural or manmade threats, such as the introduction or spread of disease or nuisance species, changing environmental conditions or other similar threats, protect time-sensitive wildlife use of lands or waters, or facilitate Division-sponsored wildlife research projects or management activities.
2. Whenever such closure is instituted, the area(s) involved shall be posted indicating the nature and purpose of the closure. It shall be unlawful for any person or vehicle to enter any such area(s) posted as closed.

ARTICLE IV – BOATING RESTRICTIONS APPLICABLE TO ALL DIVISION CONTROLLED PROPERTIES, INCLUDING STATE TRUST LANDS LEASED BY THE DIVISION OF WILDLIFE

904 - AQUATIC NUISANCE SPECIES (ANS)

A. All vessels and other floating devices of any kind, including their contents, motors, trailers and other associated equipment, are subject to inspection in accordance with inspection procedures established by the Division prior to launch onto, operation on or departure from any Division-controlled waters or vessel staging areas.

B. Any aquatic nuisance species found during an inspection shall be removed and properly disposed of in accordance with removal and disposal procedures established by the Division before said vessel or other floating device will be allowed to launch onto, operate on or depart from any Division-controlled waters or vessel staging areas.

C. Compliance with the above aquatic nuisance species inspection and removal and disposal requirements is an express condition of operation of any vessel or other floating device on Division-controlled waters. Any person who refuses to permit inspection of their vessel or other floating device, including their contents, motor, trailer, and other associated equipment or to complete any required removal and disposal of aquatic nuisance species shall be prohibited from launching onto or operating the vessel or other floating device on any Division-controlled water. Further, the vessel or other floating device of any person that refuses to allow inspection or to complete any required removal and disposal of aquatic nuisance species prior to departure from

any Division-controlled water or vessel staging area is subject to quarantine until compliance with said aquatic nuisance species inspection and removal and disposal requirements is completed.

D. Any person operating a vessel or other floating device may be ordered to remove the vessel or device from any Division-controlled water by any authorized agent of the Division if the agent reasonably believes the vessel or other floating device was not properly inspected prior to launch or may otherwise contain aquatic nuisance species. Once removed from the water, the vessel or other floating device, including its contents, motor, trailer and associated equipment shall be subject to inspection for, and the removal and disposal of aquatic nuisance species.

E. It is unlawful for any person to, or to attempt to, launch onto, operate on or remove from any Division-controlled water or vessel staging area any vessel or other floating device without first submitting the same, including their contents, motors, trailers and other associated equipment, to an inspection for aquatic nuisance species, and completing said inspection, if such an inspection is requested by any authorized agent of the Division or required by any sign posted by the Division. Further, it is unlawful for any person to fail to complete the removal and disposal of aquatic nuisance species if such removal and disposal is requested by an authorized agent of the Division or required by any sign posted by the Division.

F. It is unlawful for any person to, or to attempt to, launch onto, operate on or remove from any Division-controlled water or vessel staging area any vessel or other floating device if they know the vessel or other floating device, including their contents, motors, trailers, or other associated equipment, contain any aquatic nuisance species.
