

The Bernina Connection, LLC Materials List

Machine Mastery—Bernina Embroidery Software

The **Mastering the Bernina Owner's Workbook** is used as a guide for all classes. When you purchase and pick up your machine/software at the Bernina Connection you will receive a free CD containing all the Machine Mastery Workbooks.

You are responsible for printing out the appropriate workbook prior to class and bringing it with you to all Mastery classes. It is suggested that you punch holes in the Workbook and place it into a three ring binder for ease of use.

For every class you will need to bring your laptop with the software loaded, a Bernina USB Stick, your Dongle and the Mastery Workbook. Be sure to bring an external mouse for ease of use. There are a limited number of computers available to rent if you do not have a portable computer – call in advance to reserve for class.
