

The Bernina Connection, LLC Materials List

Machine Mastery

The **Mastering the Bernina Owner's Workbook** is used as a guide for all classes. When you purchase and pick up your machine at the Bernina Connection you will download from our web, www.berninaconnection.com, a free Machine Mastery Workbook. You are responsible for printing out the appropriate workbook prior to class and bringing it with you to all Mastery classes. It is suggested that you punch holes in the Workbook and place it into a three ring binder for ease of use.

For every class you will need to bring your machine, all of its accessories, the Mastery Workbook and the materials listed below.
