## **Machine Mastery—Bernina Embroidery Software**

The **Mastering the Bernina Owner's Workbook** is used as a guide for all software classes. When you purchase and pick up your software at the Bernina Connection you will download from our web, [www.berninaconnection.com](http://www.berninaconnection.com), a free Machine Mastery Workbook. You are responsible for printing out the appropriate workbook prior to class and bringing it with you to all Mastery classes. It is suggested that you punch holes in the Workbook and place it into a three ring binder for ease of use.

For every class you will need to bring your laptop with the software loaded, a Bernina USB Stick, your Dongle and the Mastery Workbook. Be sure to bring an external mouse for ease of use. There are a limited number of computers available to rent if you do not have a portable computer – call in advance to reserve for class.
