

The Bernina Connection Materials List

My Bernina Sewing Machine Classes

My Bernina Sewing Machine Workbooks are used as a guide for all classes. When you purchase and pick up your machine at the Bernina Connection you will download a free Sewing Machine Workbook from our web, www.berninaconnection.com/machine-mastery.htm. You are responsible for printing out the appropriate workbook prior to class and bringing it with you to class. It is suggested that you punch holes in the Sewing Machine Workbook and place it into a three ring binder for ease of use.
