

The Bernina Connection Materials List

Building with a Twist!

with Judy Berry

August 10, 2012

2 – 6

Tuition: \$30.00

Kit Fee: \$12.00

Kit includes: Canvas Board, Patterns, Use of paint and other supplies

Fabric Needed:

- **Bright colored fabrics** - 15-20 different pieces from scraps to larger pieces. You will need a good supply of bright fabrics, these will be used to make buildings, roofs, windows, clouds, etc. so consider that when choosing.
- **Background** - Your buildings may be placed on a fabric background or on a painted canvas board or stretched canvas. If choosing to use fabric bring a fat quarter for background.
- **Fusible Web** - If you are going to place your buildings on fabric for a quilt bring a fusible of your choice. If you are going to use this as a wall hanging or on the canvas board bring Steam A Seam2. It helps with your placement. This is my preference. Available at Bernina Connection.

Bring to Class:

- General sewing supplies
- Scissors - you will be cutting fabric and fusible web with paper on it.
- Sewing machine in good working order with its cords and accessories and a new needle
- Pointed felt pen for making patterns
- **Embellishments** - Bring items you may wish to enhance your buildings.
- **Threads** - A variety of threads to use as embellishments
- **Teflon Pressing Sheet** - This is required when working with fusible web. This may be purchased at the Bernina Connection.
