Were those *really* snowflakes that I saw? What happened to Fall? I believe we went from Summer straight to Winter. Those little Trick-or-Treaters really had to bundle up this year. Speaking of candy, we had great fun with our 3-

Day Candy Bar Sale! Many took advantage of the *Choc Up the Savings* discounts that were hidden in their gourmet chocolate bars. If you missed out this time, be sure that we have your current email and mailing address so that you will get all of our SALE INFORMATION.

GREATEST HITS PLUS! This schedule of classes includes some of our most popular classes with some additions and it took a lot of juggling to squeeze them into the limited number of days available prior to the holidays. Take time to look over the schedule and stop in to see the samples or go to the website (www.sewbizmarion.com) to see photos of the projects. You will always learn something new in a class and it is so rewarding to see a project come together. Invite a friend to join you for a sewing, quilting or embroidery class. We look forward to seeing YOU in a class soon. If you have questions as to the skill level, machine features needed, supplies etc., please stop in, shoot us an email or give us a call.

Block Party 2011 Many have been asking about the details of Block Party 2011. Block Party 2010 does not end until January so the Block Party 2011 will not begin until March or April. Even though it does not begin until then, it will be completed in 2011 (most likely early Fall!). Complete details will be available in January. Be sure to talk to your friends who may be interested in joining you for Block Party 2011. We have lost track, but we think this will be our 7th year. Stay tuned for all the details!

Thanks to all who attended our special seminar *Sew Trendy Techniques* with Chris Dolinar. What a great day - we all learned new things and it was great to see all of the samples and hear sewing tips and tricks! Thank you for making this a very successful seminar. We appreciate your support of our classes and seminars!

If you get tired of getting gifts that you don't want or don't need, we have just the solution. We have a WISH LIST and you can list all of the sewing, quilting, crafting items that you would like to receive and even rank them as which ones you would like to have first! Truth be known, your family and friends would really appreciate knowing exactly what they can get you! Stop in soon and fill out your personalized WISH LIST and then make sure that you tell your family and friends to contact SEW BIZ to see what is on your list.

STUFF YOUR STOCKING - Dec. 2-17, 2010

We had SEW much fun with this last year so we are repeating it again this year. It is easy and fun! Beginning at 6 p.m. on Dec. 1st, we will send out an email listing the item for Dec. 2nd. If you would like that item stuffed into your stocking, you simply send a reply email and say "Stuff my Stocking!" The item is always discounted and you will know the exact price and see a picture of the item. If you do not have email, you can call in to the store and we will tell you what the daily item is and after hours, it will be on our answering machine. The promotion goes for 12 business days and at the conclusion on Dec. 17th, you can send SANTA in to pick up the stocking or you can pick it up. Join the excitement and get a stocking filled with items that you will just love! Makes SANTA's shopping easy & fun!
