Snow Removal- Street Priorities

The Town of Saguache has set these streets as priorities as follows:

- 1.) 4th Street (Gunnison Avenue south to Pitkin Avenue)
- 2.) Denver Avenue (1st Street to 14th Street)
- 3.) Pitkin Avenue (2nd Street to 8th Street)
- 4.) Christy Avenue (2nd Street to 14th Street)
- 5.) San Juan Avenue (1st Street to 14th Street)
- 6.) Streets running north to south from 1st Street to 14th Street and including Gunnison Avenue running east to west from 1st Street to 14th Street (excluding the portion of Gunnison Avenue that is on US Highway 285- CDOT does this portion)

Please make note that the Town of Saguache will plow the roads when accumulation of 3 inches or more of snow has fallen.

If you notice a large amount of snow accumulating please move your vehicle from that area. Areas where vehicles remain parked and are in the way of the snow removal equipment will not be plowed at that time.

For the safety of the citizens please make sure your walkway is shoveled and free of snow or ice.

Thank you for your cooperation with this matter.
