

Chubby Charmer Correction:

PFF Cutting:

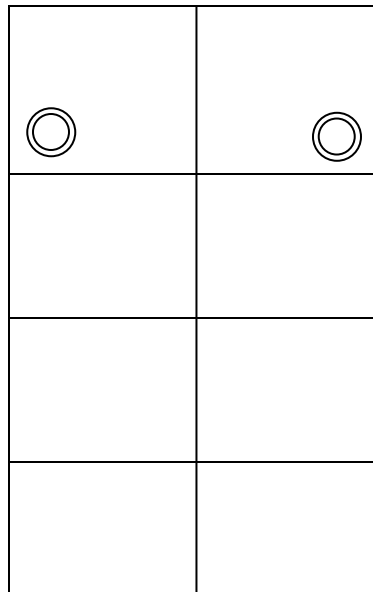

(6) 27" x 18" (yes, 6 pieces!)

(1) 6 1/2" x WOF

(2) 12" x 9"

Optional Magnetic Snaps or Velcro Closure:

Using the diagram below, attach the magnetic closures to the finished bag according to the manufacturer's instructions. The magnetic closures will be through the outer bag, not the lining. Velcro squares sewn onto the bag would work well too; sew them with matching thread through all layers, bag and lining. This detail is optional, but gives the bag an added design element. When the bag is filled to the top, the snaps or Velcro can be opened to allow for more space.
