

Jackie's Super Yummy Baked Beans

1 pound hamburger

1 package bacon

1 onion

2 green peppers

1 large can Busch's Baked Beans

2 cans kidney beans

2 cans butter beans

1 cup ketchup

1 ½ cups brown sugar (add more to taste after baking)

2-3 tablespoons mustard

Cook hamburger and chopped bacon, add onion, bell pepper, until meat is browned and onions are clear, strain off grease, add beans (you don't have to drain the kidney beans too much, just the butter beans), add 1 cup ketchup, 1 ½ cups brown sugar, and a few tablespoons mustard.

Bake for 30 minutes in large casserole dish, add brown sugar to taste.
