**March 17, 2011 CODE ENFORCER'S REPORT TO TOWN COUNCIL**

Since March 3, 2011: Residents can now get burn permits at the town office. I hope everyone takes advantage of it before the weeds get out of control. The big dumpsters will be here the weekend of April 22<sup>nd</sup>. For large items call Allied Waste and put them by the road on pick up day. We may also get the chipper to come out and take care of limbs we've trimmed off our trees. Those that haven't licensed their dogs need to do so to avoid paying a late fee. I will be sending out warning notices to those who haven't yet done so, and for other ordinance violations. I'll be attending LEPC meeting next week, and also have a PDS class on decision making in Cedar City. (Reminder to all elected officials to take NIMS courses ICS-G402, 100 & 700.)

**CITIZENS CORPS COUNCIL REPORT February 17, 2011**

I'm waiting for the Emergency Management Grant to be approved by the legislature, before I can apply for it. Someone is coming from the state to the EOC office in St. George, after the LEPC meeting next Tuesday, to help us register our Citizen's Corps and CERT. Our Citizen's Corps Meeting was canceled because of spring break and the work meeting. We've volunteered to do the bake sale for the chili cook-off. Hope you all contribute and buy lots of goodies. Our next CERT training will be on March 26th at 7 pm. Everyone is invited.

Thank you.
