Quilting on the Go!

Sku. 102038 \$18.98\*

## Class Description:

I LOVE the Accuquilt Go! fabric cutter and I know there are others like me out there. I want to invite you to join us quarterly for our AccuClub. We'll talk about the basics of machine use and share ideas and experiences. For this class we will use the Quilting on the Go book by Suzanne McNeill (retail \$18.98) and make the wall hanging, Garden Delight 28"x34". We ask that you bring your Go! machine and we will supply the use of the Round Flower Go! die (55007) , Critters Go! die (55030) and the Circles Go! die (55012) for the appliques. We'll learn several styles of finishing the fusible appliques in class and I'll share my favorite way of fusing and cutting appliques. **We do ask that you bring/purchase your own 6"x12" die cutting mat.**
