Town Council 4th of July Parade

FOURTH OF JULY

Another great 4th of July Celebration has passed for Hemet/Town. A big Thank You to Eric and Cathy Pristrup for the excellent organization and execution of a wonderful day. Even through personal adversity they were able to bring about an enjoyable day, full of fun entertainment and great food.

Also a big thank you to Kay Richins, Town Councilmember in charge of the 4th. His hard work is really appreciated. The Town would also like to thank his wife Jill and their family for their help and support. Thank you to All Council members and wives and all those who helped in any way with the 4th.

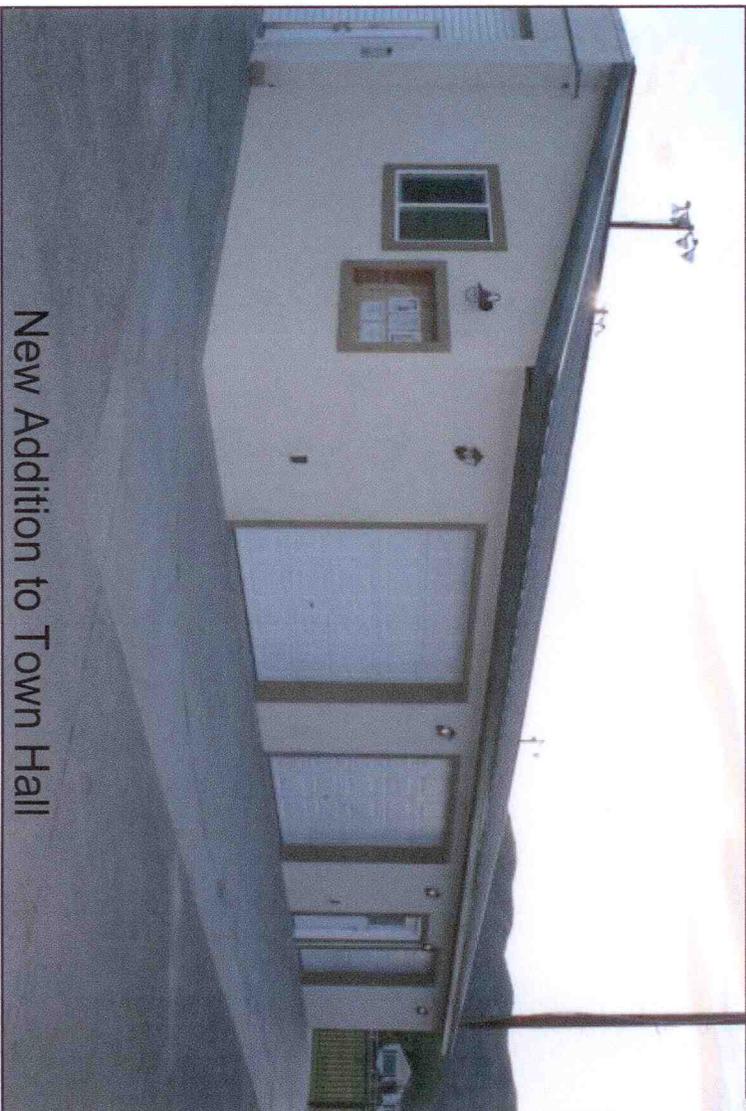

FLOWERS PLANTED AT PARK

A big thank you to Sherilyn Hemingway and the Hender First Ward Young Women for planting the flowers at the Park. The planter by the flag and those pots on the stage really added to the festivities.

WATERING RESTRICTIONS ARE STILL IN EFFECT!

Another Great 4th of July

New Addition to Town Hall

Scott Richins and Josh Richins deserve a thank you for the new sprinkler system at the Cemetery, and for all the hard work they do in our behalf.

THANKS FOR ALL OF THE HARD WORK

2010

New Addition Construction Phase

The new addition to the Town Hall was finished in time for the 4th of July Celebration. The addition adds storage for the Town's grills, tables, chairs, and booths. It also includes a small kitchen and a walk-in cooler.

Wyatt Sargent was the contractor who built the addition. Bruce Rowser was the designer and the project manager. Mayor Randy C. Ovard procured the funding from a RAMP Tax grant.

A special Thank You to Jason Stolle who donated the garaged doors.

A Big Thank you to all those who helped make the addition possible. It was a great addition in making the 4th Celebration a success.

WATER STORAGE TANK

The Town is in the process of getting started on the installation of a 150 gallon water storage tank. The project should begin sometime in September.
