## MARCUS Fabrics.

## Civil War Tribute Block-of-the-Month

# Civil War Tribute Block-of-the-Month 

## OPTION 1: Adjustments to original Block 7

Block Size: $121 / 2^{\prime \prime} \times 12^{1 ⁄ 2 "}\left(12^{\prime \prime} \times 12\right.$ " Finished Block Size)

The previous adjustments for Block 7 included cutting measurements that were rounded to the nearest $1 / 8$ " in an attempt to simplify the pattern. Additional customer feedback has resulted in the following fabric cutting revisions, reflecting more accurate measurements in 1/16" increments. Use 1/4" seam allowances.

2199-0116

2193-0163

2207-0122

## Cut from Fabric 1:

A Sixteen squares $2-3 / 16$ " $\times 2-3 / 16$ ", cut each in half on the diagonal to make 32 triangles.
C Four squares $3-1 / 16$ " $\times 3-1 / 16$ ", cut each in half on both diagonals to make 16 triangles. You will use 14 of these triangles in the block.

Cut from Fabric 2:
E One square 4-7/16" x 4-7/16"

Cut from Fabric 3:
A Sixteen squares $2-3 / 16$ " $\times 2-3 / 16$ ", cut each in half on the diagonal to make 32 triangles.
C Four squares $3-1 / 16$ " $\times 3-1 / 16$ ", cut each in half on both diagonals to make 16 triangles. You will use 14 of these triangles in the block.
D Two squares 1-13/16" $\times 1-13 / 16$ "

Cut from Fabric 4:
B Two squares $51 / 2$ " $\times 51 / 2^{\prime \prime}$, cut each in half on the diagonal to make 4 triangles.

## OPTION 2: Simplified Piecing for Block 7

Block Size: $12 ½$ " x 12½" (12" x 12" Finished Block Size)

This alternate design for Block 7 gives quilters the option of simplified piecing, yet maintains the visual impact of the sawtooth block detail. Use $1 / 4$ " seam allowances.

Cut (20) A triangles
$2-7 / 8^{\prime \prime} \times 2-7 / 8^{\prime \prime}$
Cut (4) C triangles from a $5-3 / 16^{\prime \prime} \times 5-3 / 16^{\prime \prime}$ square

Cut (20) A triangles $2-7 / 8^{\prime \prime} \times 2-7 / 8^{\prime \prime}$

2207-0122

Cut (1) B square $4-1 / 2^{\prime \prime} \times 4-1 / 2^{\prime \prime}$

2193-0163

Cut (4) D triangles

$4-7 / 8^{\prime \prime} \times 4-7 / 8^{\prime \prime}$

2193-0175

## HELPFUL HINTS

## Measuring \& Cutting

Both the original and alternate designs for Block 7 include fabric cuts at increments of $1 / 16$ ". You will need a ruler that is marked in $1 / 16^{\prime \prime}$ increments, that is, there are 16 marks within one inch. So, to locate the $3 / 16$ " mark, you would count to the third of the 16 marks. The guide will help you to locate the proper measurements on your ruler for more accurate cutting.

NOTE: Ruler show is NOT to scale, but for illustration only.

$$
\begin{aligned}
& 1 / 8=2 / 16 \\
& 1 / 4=4 / 16 \\
& 1 / 2=8 / 16 \\
& 1 "=16 / 16
\end{aligned}
$$

## Piecing

Most of the pieces for this block (and others in the Civil War Tribute BOM quilt) are small triangles that are cut on the bias, so they can become distorted through stitching and general handling. To help stabilize the cut edges for more accurate piecing, we suggest you starch the fabric first.
