

## Just <br>  can comforta a soldier

Everyday brave men and women are injured in the line of duty in Iraq and Afghanistan as they fight for our nation's freedom and security.

We invite you to join the Moda staff and designers in our newest Challenge...

The challenge is to piece, quilt and bind 100 quilts in 100 days using the Flag of Valor pattern by Minick and Simpson.

The deadline for star blocks
is May 1, 2011 so that we can meet our quilt deadline by Flag Day, June 14, 2011. As the saying goes - "many hands make light work".

We need 1800 star blocks to reach our goal.
Please take a few minutes to piece Just One Star block using a medium red or blue and a cream background. Better yet, invite your small group or even your entire guild to make Just One Star block. Sign each block with your name and state.

Then we can truly say....the hands of a grateful nation comfort our soldiers!
We will coordinate the donation of the 100 quilts thru the Semper Fi Fund, a cause that is near and dear to designers, Polly Minick and Laurie Simpson.

Thank you for your help!
