## January 2012 Class Descriptions

We will have a "focus" pattern that some of us may be working on, but anyone needing assistance with a quilting project is welcome. There will also be on an on-going beginner's section using the tried and true Shaded Nine Patch pattern. Basically this is a quilting with assistance class, be you beginner or advanced. all are welcome. An open enrollment class, you pay for classes you attend (\$10/class-due at beginning of class). Please note that material, tools, and sewing machine are the student's responsibility - true beginners should attend at least one class or seek help during store hours before purchasing tools and material.

For those beginning the craft, Christy has the material, patters, and tools - an inexpensive way to experience basket weaving. Those who have woven before may wish to bring their own patterns, tools, and possibly materials. An open enrollment class, you pay for the classes you attend (\$10/class - due at the beginning of class). Material fees run from \$5 - \$15, depending on the basket.

### **Mary's Charity Quilts Group**

When Mary Wright passed away, she left a considerable stash, so in her memory her quilting friends and family took up the task of making charity quilts from her fabric. Mary loved to help others and had often spoken of making such quilts. We have made and donated numerous children/youth quilts to Shriner's Hospital in Sacramento, and adult quilts to Mariner's Cottage in Carson City. We have nearly used up Mary's stash, but, low and behold, more fabric has been donated. So we continue this project, now hoping to make quilts that will comfort those in need right here in Lyon County. Anyone is welcome. Please bring your inspiration and creativity, quilting tools, sewing machine, and a sack lunch.
