 PHONE: 563-778-2101

Catalog 6.1
April 2012

 FAX: 563-778-2102

General Ordering Information

The following are the terms and conditions for ordering from Patch Abilities, Inc. Your local distributor may offer different terms.

- Wholesale: We only sell wholesale to retail stores and distributors. Patch Abilities, Inc. does not sell retail. We leave that privilege to all the great quilt shops.
- Minimum: There is no minimum for “wholesale orders”. This includes all in-stock wire hangers from Ackfeld Mfg.
- Shipping: All orders are shipped direct from our facility, here in St. Lucas, Iowa. We ship all orders UPS unless other arrangements have been made. Additional freight charges may apply when shipping to a residential address
- Payment terms: Credit cards accepted are Visa, and MasterCard. All orders are prepaid before they are shipped.
- Prompt shipping: We find it irritating when a company takes weeks to process our order for stuff we are anxious to receive. So we will not do the same to you. In fact, we pride ourselves on our quick turnaround. Most often, we can process/ship your order within a day or two upon receiving it.
- Satisfaction: If for any reason you are not happy with, or the product is damaged, please re-package in the original container. Call Patch Abilities, Inc. and we will proceed with the immediate retrieval of the product. Patch Abilities, Inc. will replace damaged product up to 30 days after receipt of the product.
- Returns: Patch Abilities, Inc. will only allow returns within the first 30 days of receipt of the product. A 25% restocking fee will be incurred for any non-defective product returned.
- Hangers, buttons & ribbon packs: Available from us....at wholesale prices. Yep! Get the whole shabang in one shipment from Patch Abilities, Inc.

Prices are NOT shown in this portion of the catalog, so you can share with your customers.

The wholesale price list is an insert you received with this catalog.

Shiva® Artist's Paintstiks

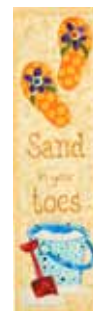

WHAT IN TAR-NATION ARE THESE!!!

Julie has used these to stencil the fantastic 'painted' details on the patterns/designs shown here.

- Shiva® Artist's Paintstiks® are an oil paint in crayon form, which are great for stenciling on fabric because the paint doesn't run, drip or seep under the edges of the stencil. All patterns that require a stencil, include it and instructions how to use/apply.
- The corresponding "paint packs" are shown (as an available embellishment) next to these patterns where they appear in this catalog.
- Stenciling with Paintstiks is truly a nifty alternative to messing with tiny morsels of fabric for intricate shapes.
- How long will 1 mini Paintstik last?? A long, long, long time - you could make 50 "Sand in Your Toes" with just one mini - that's how long.

All Paint Packs include:
a stencil brush &
Shiva Mini Paint Stick in
Iridescent Leaf Green,
Ivory Black,
White
OR Asphaltum

Instock wire hangers from

Make a Table Stand Your Own!

Legs are now removeable, so it can ship & store flat.

Header is also detachable so it can be switched out for the seasons.

Just choose a stand and then choose from any of these designs.

A Order a stand.

B Choose the header that is right for you (all headers in gray only).

C Display your project in style.
