The meeting was called to order at 7:00 p.m.

**PROCLAMATION** – Cancer Awareness Week
Mayor Dain read the proclamation designating May 31, 2009 through June 13, 2009 as “Cancer Awareness Weeks” in Lindon. The proclamation encouraged residents to participate in “Relay For Life” fundraising events.

**PRESENTATION** – Mr. Winget’s class from Oak Canyon Junior High School will make a presentation concerning recycling in the community.

Carson Hunsaker, Jaron King, Griffin Bodine, Mitch Brown and Matt Bently, Members of the PUSH (Preserving Utah Science and History) Team at Oak Canyon Junior High presented information regarding recycling gathered during a study completed as a class project. The presentation encouraged use of the recycling program in Lindon, as well as improvements to the program. The results of the study indicated that currently, 500 of the 2,000 homes in Lindon participate in recycling programs, but that many residents were unaware of the availability of recycling. The students encouraged the City to publicize the program. Mayor Dain invited the boys to create a flier which could be sent out with monthly utility bills. The students agreed to create a flier advertising the program. Mayor Dain and the Council thanked the team for their presentation.

**MINUTES** – The minutes of the Regular Meeting of May 5, 2009 were reviewed.

COUNCILMEMBER CARPENTER MOVED TO APPROVE THE MINUTES OF THE MEETING OF MAY 5, 2009. COUNCILMEMBER BAYLESS SECONDED THE MOTION. THE VOTE WAS RECORDED AS FOLLOWS:

- COUNCILMEMBER ANTHONY  AYE
- COUNCILMEMBER BATH   AYE
- COUNCILMEMBER BAYLESS  AYE
- COUNCILMEMBER CARPENTER AYE
- COUNCILMEMBER HATCH  AYE

THE MOTION CARRIED UNANIMOUSLY.

CURRENT BUSINESS –

COUNCILMEMBER BATH MOVED TO OPEN THE PUBLIC HEARING. COUNCILMEMBER BAYLESS SECONDED THE MOTION. ALL PRESENT VOTED IN FAVOR. THE MOTION CARRIED.

Michael Schwartz was present as the representative for this item. Mr. Cowie explained that this is a request for a minor subdivision. An R2-Overlay project is proposed on the site. The 20,000 square foot subdivision lot is located at 547 East 200 North. Mr. Cowie noted that the City Council approved a change to the Master Plan Street Map approximately six months ago which removed the through street previously shown on the property and replaced it with a cul-de-sac street. The eastern portion of the affected property is proposed for this subdivision, with additional lots possible in the future.

Mr. Cowie stated that asphalt, curb, gutter and sidewalk improvements would be extended as part of this project. He noted that the Planning Commission expressed concern during review of this application regarding potential effects to the adjacent Hansen property due to the slope of the lot. He explained that the slope will be toward the vacant Schwartz property at this time, and that drainage will be channeled into existing storm drains as adjacent property continues to develop.

The proposed structure is a twin home which will be occupied by members of the Schwartz family initially. Architectural elevations were presented for the Council’s information. Mr. Cowie noted that the drawings submitted with the application show
possible future second kitchens. He explained that as an R2-Overlay project, accessory apartments would not be permitted in this structure. The Planning Commission recommended a notion on the plat stating that accessory apartments would not be permitted.

Mr. Cowie stated that there are no staff or engineering concerns related to this project, and that the proposal appears to comply with all ordinance requirements. Councilmember Carpenter inquired as to the current capacity of this R2-Overlay district. Mr. Cowie presented a map of R2-Overlay districts. He noted that due to the 750 foot separation distance requirement, this project will likely fill this particular district. He noted that accessory apartments are still permitted in single family dwellings regardless of the capacity of the R2-Overlay district.

Mayor Dain called for public comment. There was no public comment. He observed that the absence of any neighbors seems to indicate that there are no concerns. The applicant noted that there were several neighbors present during Planning Commission review of this application, but that their questions and concerns seem to have been adequately addressed.

Mayor Dain called for further comments or discussion from the Council. Hearing none, he called for a motion.

COUNCILMEMBER CARPENTER MOVED TO CLOSE THE PUBLIC HEARING. COUNCILMEMBER BAYLESS SECONDED THE MOTION. ALL PRESENT VOTED IN FAVOR. THE MOTION CARRIED.

COUNCILMEMBER BATH MOVED TO APPROVE THE SCHWARTZ ESTATES SUBDIVISION PRELIMINARY PLAT WITH THE FOLLOWING CONDITION:
1. THAT A NOTE BE INCLUDED ON THE PLAT INDICATING THAT ACCESSORY APARTMENTS ARE NOT PERMITTED AS PART OF THIS R2-OVERLAY PROJECT.

COUNCILMEMBER HATCH SECONDED THE MOTION. THE VOTE WAS RECORDED AS FOLLOWS:
COUNCILMEMBER ANTHONY AYE
COUNCILMEMBER BATH AYE
COUNCILMEMBER BAYLESS AYE
COUNCILMEMBER CARPENTER AYE
COUNCILMEMBER HATCH AYE
THE MOTION CARRIED UNANIMOUSLY.

2. Presentation – North Utah County Groundwater Recharge Project. This presentation will be given by Barry Edwards, Highland City Administrator. Highland City sponsored a concept level groundwater recharge study to determine if a feasibility level study is warranted to discover if ground water recharge is a feasible way to increase the level of water supply reliability in northern Utah County.
Mr. Edwards had not arrived at the meeting at this time. Mayor Dain suggested that the Council move ahead with other agenda items until Mr. Edwards arrived.

COUNCILMEMBER CARPENTER MOVED TO CONSIDER AGENDA ITEMS OUT OF ORDER. COUNCILMEMBER BATH SECONDED THE MOTION. ALL PRESENT VOTED IN FAVOR. THE MOTION CARRIED.

3. **Review and Action** – Lindon City’s Engineer of Record (EOR) – Resolution #2009-15-R. This is a request by staff for formal approval by the City Council of the Engineer of Record for state and federally funded transportation projects for Lindon City. The selection of the EOR involved a long process supervised by UDOT. A committee was established which included Lindon City Representatives and representatives of various disciplines of UDOT. JUB Engineers was selected as Lindon City’s EOR for Bridge Design, Pre-Construction Engineering and Construction Engineering Management.

Mr. Dameron explained that the selection process for the Lindon City Engineer of Record included a review of a Selection Committee consisting of UDOT representatives and City representatives. He stated that several engineering firms submitted proposals in response to the Request for Qualifications. The Engineer of Record is authorized to work on all state and federally funded City projects. Following careful review, the Committee selected JUB Engineers as the Lindon City Engineer of Record for pre-construction engineering, construction engineering and engineering management. Another firm will be selected for environmental engineering review of projects. Councilmember Carpenter participated on the selection committee, and noted that other firms appeared to have strengths in environmental engineering, and that the committee felt it would be appropriate to draw from the best qualified firms in this particular area.

Mayor Dain called for further comments, questions, or discussion. Hearing none, he called for a motion.

COUNCILMEMBER CARPENTER MOVED TO APPROVE JUB ENGINEERS AS THE LINDON CITY ENGINEER OF RECORD FOR PRE-CONSTRUCTION ENGINEERING, CONSTRUCTION ENGINEERING AND ENGINEERING MANAGEMENT FOR A FIVE YEAR PERIOD. COUNCILMEMBER BAYLESS SECONDED THE MOTION. THE VOTE WAS RECORDED AS FOLLOWS:

- COUNCILMEMBER ANTHONY  AYE
- COUNCILMEMBER BATH  AYE
- COUNCILMEMBER BAYLESS  AYE
- COUNCILMEMBER CARPENTER  AYE
- COUNCILMEMBER HATCH  AYE

THE MOTION CARRIED UNANIMOUSLY.

4. **Discussion** – Harassment Training. This is periodic training for the Mayor and City Council regarding harassment in the work place. A fifteen minute video provided by the City’s liability insurance carrier (URMMA) will be viewed.
The Mayor and Council viewed a video presentation regarding sexual harassment. Following the video presentation, they discussed the need to use caution and be respectful of others in communication in all areas, religious and political topics.

COUNCIL REPORTS –

COUNCILMEMBER CARPENTER – General Plan, Streets & Sidewalks, Public Buildings, UTOPIA.

Councilmember Carpenter reported on UTOPIA business. He discussed the financial structure of pledging vs. non-pledging cities.

Councilmember Hatch reported that the Landfill Board has asked that the City provide a Master Plan and Zoning Map for the area located north of the Transfer Station, as well as documentation of the wetlands purchased by the City in cooperation with Orem. The information will be used in conjunction with road development projects in the area of the Transfer Station. Mr. Cowie will forward the requested information to Councilmember Hatch.

COUNCILMEMBER BAYLESS – Trails, Planning, Zoning, Board of Adjustments, Administration.

Councilmember Bayless had no items to report.

COUNCILMEMBER BATH – Public Safety, Court, Building Inspections.

Councilmember Bath reported that he has received several inquiries from residents regarding completion of swing sets in Squaw Hollow Park. Mr. Dameron stated that the concrete structure around the swing set requires some modification before the swings can be installed. The project should be completed in the near future.

Councilmember Bath invited Chief Cullimore to report on Police Department activities. Chief Cullimore reported that the first reserve officer in Lindon, Clint Peterson, was sworn in on Monday, May 18, 2009. He also reported that the Department will participate in the Special Olympics Torch Run on May 28th. Chief Cullimore invited the Council to attend the upcoming Memorial Day Flag Ceremony. He stated that community response to a request for names of Lindon Veterans has been overwhelming, and that 108 names have been submitted thus far.

COUNCILMEMBER ANTHONY – Parks, Recreation, Engineering, Lindon Days, Newsletter.

Councilmember Anthony presented information regarding an emergency response program currently being used in several other communities. The program uses a color coded card system of green, yellow or red cards displayed in windows following an
emergency to indicate the urgency of the need for help in specific homes. Chief Cullimore stated that plans are underway to implement a similar system on a countywide basis, and that plans include a database of home with special needs. He suggested the possibility of a scout group assisting with implementation of the program in the future.

Councilmember Anthony reported that he recently spoke with Jim Curtis, manager of 13 Wal-Mart stores in Utah, regarding the possibility of a Sam’s Club in Lindon. Mr. Curtis indicated that it would be advisable for the Mayor or Councilmembers to contact the corporation and express interest in the company locating in Lindon. Councilmember Anthony stated that he will obtain contact information for Sam’s Club, as well as contact information for an outlet store corporation.

Councilmember Carpenter stated that he overlooked an issue during his report. He stated that the sod strip adjacent to the Lindon Heritage Trail has not yet been restored as promised to residents. Mr. Dameron stated that a letter would be distributed to residents along the trail on Wednesday explaining the restoration project, including an option to opt out of the restoration project if property owners have completed work on their own and do not want additional work completed.

**ADMINISTRATOR’S REPORT**

Mr. Dameron reported on the following items:

1. The Council reviewed the Project Tracking List. Councilmember Bayless expressed concern that the City Council does not review R2-Overlay projects. Mr. Dameron stated that the Council has the authority to call any application forward for review. Mayor Dain observed that residents attended the Planning Commission review of the recently approved R2 project, and it appears that their concerns were adequately addressed. He noted that the current process for approval of R2 projects seems to be working. The Council also noted that the Planning Commission has the authority to forward applications to the Council if there are any significant concerns the Planning Commission would like the Council to review.

2. Thirty seven pavers are in cue for engraving, with additional orders expected.

3. The 700 North widening project is underway.

4. The bond for supplemental Aquatics Center financing closed at 3.8%. Projections of final costs indicated that approximately $600,000 will be necessary to complete the pool financing. The remainder of the $800,000 bond will be repaid to the principal immediately.

5. Councilmember Bayless, Councilmember Anthony and Councilmember Carpenter noted that they will be out of town for the June 2nd City Council Meeting. The Council discussed an alternate date to schedule the meeting due to lack of a quorum on June 2nd. Following discussion, the meeting was scheduled for June 9th at 7:00 p.m. The meeting will include a Public Hearing regarding the Final 2009/2010 Budget.
COUNCILMEMBER BATH MOVED TO APPROVE THE PAY VOUCHERS. COUNCILMEMBER HATCH SECONDED THE MOTION. THE VOTE WAS RECORDED AS FOLLOWS:
