

# Lindon City's Fall "Leaf Away Program" November 2011

*Please help keep the city clean and the leaves  
out of the Storm Drains.*

Please bag your leaves and set them behind your walk in front of your home in a visible location. **DO NOT PUT BAGS IN THE STREET OR GUTTERS, as obstructing water flow in gutters/streets could cause flooding.** We will be collecting leaf bags thru the month of November.

Residents are encouraged to mulch leaves into the lawn or till them into your gardens to enrich your soil. Due to budget restraints, we will supply 3 bags per household and you are welcome to use your own bags. We ask "**please don't put household garbage in with the leaves because it will contaminate the entire load**". They will not be picked up if garbage is in any of the bags.

Also you may take leaves to Timpanogos Special Svcs. District located at 6400 N 5050 W in American Fork or Tucker Landscaping at 1483 W 70 S, Lindon, (801) 785-3337. **Residents only** can dump at those sites free of charge, as long as there is no garbage in the load, After November 30<sup>th</sup>, leaf bags are not be placed out for collection as the city will not be picking them up.

Do not take leaf bags to any park, street-island or other public place. They will only be picked up from behind the walk in front of your home.

If you see any illegal dumping into City storm drains you may report it to the city at 801-796-7954 or on Lindon City's Web site at [lindoncity.org](http://lindoncity.org), where you can also find info for waste disposal under Departments/Public Works/Storm Water Link.

**Bags may be obtained at the Public Works Building,  
946 West Center St. 7:00 AM-3:30 PM (801-796-7954) or  
Lindon City Center 100 N. State St. 8 AM-5:30 PM (801-785-5043)**
