PLEASE HELP LINDON SCHOOLS

Little Miss Lindon is continuing their quest to put an AED in every Lindon School. (An AED is an AUTOMATED EXTERNAL DEFIBRILLATOR or heart-restarting machine). Please help us get these life-saving machines in place for our children and our community. Donations are being accepted at the city building, checks can be made out to "Lindon City" with "AED Project" in the memo line. Thank you for your support! The Little Miss Lindon Royalty.

VOLUNTEER OPPORTUNITIES

Each year more than one million Americans join with the American Red Cross to provide vital services to our community through volunteer work. CURBSIDE PICKUP GUIDELINES

Just a reminder that Garbage pick-up is on Friday, and recycling pick-up is every other Friday.

Guidelines to ensure consistent service:

- All trash/recycle containers **must** be placed outside **by 7 AM**.
- Place the container in the street with wheels against the curb or within two feet of the blacktop, and the front of the container facing the street.
- Containers must be placed four feet apart from other containers and eight feet from mailboxes, poles, fences, trees, or parked vehicles for easy access.

If you have followed the guidelines for pickup and the can was not emptied, you must call Republic Services (801-785-5935) **by 3 PM on your regular pick-up day** to schedule a go-back that same day. If notification regarding a missed container is made **by 3 PM the day after your regular pick-up day**, we can schedule a go back for the following Tuesday. Other options will be provided (extra bags for the next pick-up day, etc.).

Recycle containers that have trash in them will **NOT be dumped as trash and called into the city.
