**LINDON CITY CORPORATION
946 WEST CENTER STREET
LINDON, UT 84042**

Separate sealed bids for **Lindon 2012 Culinary Water Service Changes & PRV Stations Project** will be received by Lindon City Corporation at the **Lindon City Public Works Building, 946 West Center Street, Lindon, UT 84042** until **10:00 a.m.** (local time) **Thursday, August 16th, 2012** and then at said office publicly opened and read aloud.

The Project includes the disconnection and replacement of 36 residential water services from existing 4" water mains and the installation of new services and connections to existing 8" water mains. The existing 4" and 8" water mains are located in two separate streets within the City. The contractor will be responsible for all asphalt cutting and patching as well as landscaping restoration associated with the water service replacements. The project also includes disconnecting the 4" mains from the City system and abandoning the lines. Included on the project is the construction of two PRV stations at two different locations. Other work includes removing valve boxes from the existing 4" line, removing and replacing concrete related to the water service replacements, and other items incidental to this type of construction.

The CONTRACT DOCUMENTS will be available after Monday, August 6, 2011 and may be examined at the following locations:

J-U-B Engineers, Inc.
240 W Center Street, Suite 200
Orem, UT 84057
(801) 226-0393

LINDON CITY PUBLIC WORKS
946 West Center Street
Lindon, UT 84042
(801) 796-7954

Copies of the CONTRACT DOCUMENTS may be obtained at the office of the Engineer upon a non-refundable payment of \$40.00 for each set payable to J-U-B Engineers, Inc.

A five percent (5%) Bid Bond will be required.
