### Hoop Sisters

Did you participate in last year's Hoop Sisters? We had so much fun learning to piece, quilt and embroider in the embroidery machine. Goose Tracks is this year's quilt and it can be made many different ways creating a quilt that is uniquely yours. There is less piecing this year and more embroidery which will make the blocks go much faster! There are 30 different blocks and hundreds of different layouts. Hoop Sisters Goose Tracks will meet on the third Tuesday of each month beginning February 5 from 5:30 - 7:30. You have the choice of seeing a "How-to" demo, or staying and sewing. The cost is \$100. Or you can pay monthly—\$20 for first month and \$10 per month after that. There is no additional fee for the sit and sew this year. This includes all of the embroidery designs, a power point for each block (there are 60 different blocks this year!), and written directions. There will be an optional border for an additional fee. Be sure to bring an empty USB stick with 1-2GB of storage space when you sign up so that we can transfer all of the information to you.

## SECOND SATURDAY

We loved Jodi Barrows' trunk show so much that we have asked her to design our second Saturday quilt for 2011. We know that the quilt will be made out of the fabrics that she has designed; it will be 10" blocks set on point, and will have a story that goes along with the quilt. The blocks will be constructed using the Square in a Square® ruler. Jodi will be teaching for us in February, so it would be a great class to take to get more comfortable with her techniques. We will have a picture of the quilt and the first block done by our first meeting which will be Jan 8th. To relieve the Saturday congestion, we also offer this on the Friday before—same time, same place. (Keep in mind, the Friday before is NOT always the second Friday of the month!) The rules stay the same: Arrive between 8:45 and 9am on the second Saturday of the month. In January you will need to purchase your block, but in the future months if you stay the entire time and bring your completed block you will receive your next block free. This is a great way to keep up with the latest and greatest fabric, books, and gadgets here at the Quilt Sampler! We also love to see your show and tell.

Quilts  
For  
Kids

We continue to be overwhelmed at the support that we have received for the Tulsa Quilts for Kids program. For the 2010 year, we turned in well over 1000 quilts!!! These quilts go to critically ill and abused children in the Tulsa area, and unfortunately, there is still a great need. We are always looking for volunteers to help in every stage of this very worthy cause. Some particular needs we have at this time are people to volunteer to help cut and package kits, and people who are willing to quilt tops that others have pieced. If you can help, please contact [tulsaquiltsforkids@cox.net](mailto:tulsaquiltsforkids@cox.net). We will be hosting 4 workshops here at the Quilt Sampler for the upcoming year. We need people willing to give up a Saturday to help with sewing, cutting, pressing, etc. Bring your own machine and basic sewing supplies. We will provide lunch and other goodies. Please give us a call to reserve your spot.

## Workshop dates:

Feb 19 10:30-3:30; April 16 10:30-3:30; July 16 10:30-3:30;  
Oct 15 10:30-3:30

It is a lecture/demo format that showcases all types of sewing; home dec, quilting, crafting, clothing, embroidery and more. If you have purchased your machine at the Quilt Sampler your 1st year is free. We have a fun, talented group of ladies who attend club. Their show-n-tell is the best!
