Quilt Sampler News

It's that time again—Spring. Every year about this time I get this urge to really go through and organize my fabric. It never fails, though. I start going through those fabulous boxes of long-forgotten projects and the urge to sew always overpowers the urge to clean. And no matter how determined I am to "use up that old stuff", it seems like I have to buy ten more fabrics for every one I use. I have also learned that sometimes it is best to set aside a project that I get stuck on. I dug a baby quilt out that I started for my nephew (and we won't talk about how old he is now) that just needed...something. My new Prairie Points ruler added just the touch it needed! The new gadgets that seem to come out daily really can make a HUGE difference in your project. Who knew that just changing brands of rulers could really improve accuracy! Next time you're in, let us show you the Cut for a Cure line of rulers, as well as many other great new gadgets. Maybe it will take the drudgery out of all that Spring Cleaning, and add a little zip to those old projects.

BLOCKS

OF THE MONTH

United Forever Block of the Month

Do you have blocks of the month that pile up in your drawer? Would you like to be a better piecer? If you answered "Yes" to either of these questions, then you need to sign up for United Forever. This is a block of the month with a twist. The twist is it comes with a class that meets the first Tuesday of each month from 5:30 to 6:30. In the class we will cut each block using the Kaye England/Nifty Notion Ruler method.

You may also choose to use the traditional piecing method. With the block cut out most of the work is done! All you need to do is go home and sew it out. The quilt is made using 12 blocks, but the directions give you 24 to choose from, so everyone's quilt will be unique to them. Each month that you come you will choose 4 fat quarters from a group that we have selected. Cost \$15 per month which includes the pattern, fat quarters and the class. There is a \$10 sign up fee which includes the book "A Civil War Legacy" by Kaye England. This Block of the Month will start May 3rd.

Muchas Poochas

These delightful dogs are loaded with personality and a great project for any appliqué enthusiast. Size 48x60 \$20 per month which includes the pattern, borders and binding.

This patriotic project can be a series of wall quilts, or sewn together to create a 75" x 90" bed sized quilt that can be made larger with additional borders. 9 months, \$16. Per month
