

HOW TO PLACE A BID ON THE COUNTRY MUSIC STARS QUILT

Susan and Chris Hyder, owners of Hyderhangout, Quilt Fabric and More are accepting open bids on their Country Music Stars Quilt autographed by over 25 well known stars.

The open bids start at \$2,000. When an open bid is received we do not disclose the bidders name to anyone until bidding is closed. We do disclose the open bid amount to the public. The highest open bid at any time will become the reserve bid meaning this figure is the lowest we will accept for the quilt.

We will also accept an outright offer for the quilt at any time but it will have to be a substantial amount of money. We will also at some time place the quilt up for auction on Ebay with the starting bid at the reserve bid. If the reserve is not met then the current highest open bidder will win the quilt.

We plan to keep the bidding time open for at least 2 months to allow everyone possible a chance to bid on the quilt. The winner will also get with the quilt all paperwork connected with the quilt to help authenticate the autographed quilt. Payment can be made by cash, check or PayPal. If by PayPal, then the PayPal fees will be an extra cost.

Contact Susan Hyder, cell 423-715-2908, to place a bid. The quilt can be viewed online at www.hyderhangout.com or at her fabric store Hyderhangout, 150 First St. N.E., Cleveland, TN 37311 Tuesday thru Saturday during store hours.
