STORE CLOSED HAPPY NEW YEAR!!

We Are Now Moved Into Our New And Bigger Location: 219 First Street NE, Cleveland TN 37311

After just one year in business, we have moved to a new and bigger store! Thanks to your patronage, we outgrew our little shop at 150 1st Street NE; we were busting out at the seams!!! The opportunity arose to obtain the new place of business and so we find ourselves now just a short walk down the street at 219 1st Street NE, Cleveland, TN 37311. Our phone number remains the same, 423-715-2908.

The new shop is a spacious 3000 square foot showroom chock full of fabric, notions, classroom space, and more. There is an Artist's Corner where local artists can display their creations for sale on commission. Hyderhangout also has the Quilt Widower in mind as we have set up a Widower's Corner with comfy chairs, couch, and reading material for those who want to wait while their loved one shops or attends classes. Our class area has expanded greatly and can seat up to 15 students at one time, allowing us to hold 2 classes at once! We are so excited about this aspect of our new store. Accuquilt Go! system of cutters. No matter your quilting or sewing needs, you can be sure to find it here at Hyderhangout. Come on in and check us out! We are confident you will like our new and improved store. Also, check out our online store at hyderhangout.com

Final Comments

Thanks to everyone who has made this past year a wonderful success. I am so grateful to the many people who have helped me learn the rudiments of quilting over these past few months. It's been a new experience and I have enjoyed it. My primary teacher, Susan Hyder, has taught me much, but I'd also like to thank Jackie Corey and Donna Davidson. The patience they have all shown has been truly appreciated. Happy quilting all. --- Diane

Our first year has been a great success! Thank you!! We're looking forward to bringing our customers an even greater selection of fabrics and classes in the coming year.
