OPEN HOUSE at FIRST STREET SQUARE JANUARY 22nd

Along with three other businesses, Hyderhangout is celebrating their grand opening as a member of Mainstreet Cleveland on First Street Square in the Historic Five Points District of downtown Cleveland, Tennessee. Hyderhangout joins several other businesses to comprise an eclectic group of stores to meet the varied needs of Clevelanders and visitors from far and wide. Mainstreet Cleveland has scheduled a special event for Saturday, January 22nd to draw attention to this unique group of businesses. There will be a live remote, outside booths and HOURLY DOOR PRIZES! We will also be open on Sunday. Come join in the fun as we celebrate the revitalization of the Five Points District of downtown Cleveland.

Many new activities and classes are available at Hyderhangout. The Art Quilter's Exploration Group meets every third Wednesday of each month, beginning January 19th. The purpose of this group is to explore alternative techniques in fiber arts. Other new classes include the Polymer Clay Quilt

Silk Ribbon Embroidery Handkerchief Dress Wall Hangings you can make during a class at Hyderhangout.

Pin, where you can learn to work with Polymer clay and have the opportunity to make your own quilt pin, and Silk Ribbon Embroidery, where you learn the art of silk ribbon embroidery by making a handkerchief dress wall hanging. These new classes are accompanied by our many regular class

offerings, such as Beginning Quilting and the Million Pillowcase Challenge Day. Whether you are a novice or an expert, you are sure to find something fun and exciting to learn at Hyderhangout. We look forward to seeing you in one of our next classes.

VOLUNTEER SPOTLIGHT:

Donna Davidson has been quilting most of her life. She volunteers at the store several times each month, folding Fat Quarters and other odd jobs. She lives in Cleveland with 2 grandchildren, whom she adores.

An Eye on Our Instructors

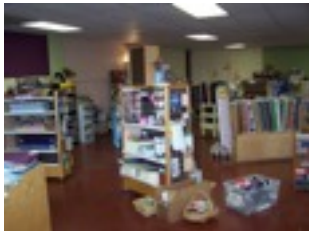

Regina Williams is co-owner of Clay Diva Designs located in Cleveland, TN. This mother/daughter business began on Mother's Day, 2006 as an experiment. Using Polymer Clay to blend, sculpt, and bake beads for themselves, these women soon discovered how fun and easy it was to create something very unique. Soon, co-workers and the general public began to express an interest in their work. Today, they offer classes to others who desire to learn this unique art. The website for Clay Diva Designs is <http://www.claydivasdesign.com>. You can contact Regina at this website for more information. For information on Hyderhangout classes, contact the store.
