SPOTLIGHT ON HYDERHANGOUT VOLUNTEERS

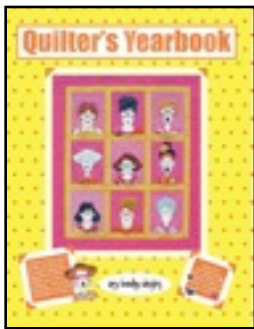

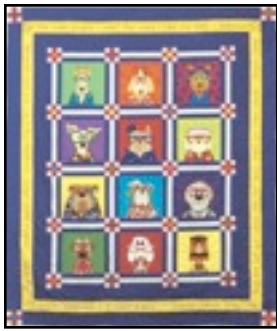

We've shone the light on Donna Davidson before, but we're tooting her horn again this month! Donna has been with Hyderhangout since the Brick & Mortar store opened in November 2009 and volunteers several times each month. Whenever there's a special project to be made, look for Donna. She is sure to be

the one offering her time and efforts to get it done. Quiet and reserved, Donna still raises the roof with her volunteer quilt making for veterans with her local quilt guild. She is also our resident Fringe Making expert and knitting tutor, with classes to follow soon. Look for dates online as they become available.

MARCH SPOTLIGHTS

Happy Scrappy House Blocks

Learn how to use up some of your left over scraps. Make houses and other buildings out of leftovers from other projects. You may also buy fabric to make all the buildings or houses on your quilt the same. Use odd fabrics to look like building siding or textures. A wonderful fun quilt for intermediate beginners.

Polymer Clay Quilt Pin

Come join the fun as we learn to make quilt pins out of polymer clay! Our instructor, Regina Williams is co-owner of Clay Diva Designs located in Cleveland, TN. This mother/daughter business began on Mother's Day, 2006 as an experiment. Using Polymer Clay to blend, sculpt, and bake beads for themselves, these women soon discovered how fun and easy it was to create something very unique. Soon, co-workers and the general public began to express an interest in their work. Today, they offer classes to others who desire to learn this unique art.
