### **A message from Ricky Tims**

Hey everybody! I'm very excited about the opportunity to bring the Ricky Tims Super Quilt Seminar to quilters in **Asheville** and the surrounding region. The seminar is like quilting on steroids. I've turned up the excitement by including renown quilt celebrities and quilting experts **Alex Anderson** and **Libby Lehman!**

I promise, this educational event for quilters is not like any other quilting experience. You can expect to come away with more ideas and techniques than you can imagine. There is no sewing, no supply list, and no UFOs to take home. Everyone attends all sessions so you do not have to pick and choose your teachers or classes. Expect to leave the seminar with renewed confidence and enthusiasm.

Over the two and a half days of the seminar you will learn lessons suited for experienced quilters, novice quilters, traditional quilters and contemporary quilters. You will learn simple, efficient techniques and explore the principles for successful original designs. If that were not enough, the seminar is loaded with projects that will allow you to try the various techniques when you get back to your sewing studio. Prepare to have your head spinning with excitement.

All of the sessions are enlightening and insightful and we all do our best to keep you laughing and entertained while bringing you the best we have to offer. **I'm so confident you will find this seminar to be worth it to you that I offer a full money back guarantee if you are not satisfied!**
