Teachers Name: Kenna Hough Teachers Daytime Phone# 602-319-6881

Name of Class: Fun & Easy Bargello Shirts Number of Sessions: 1

Class Date: June 17, 2011 Day of Week: Friday Time: 10:00 am – 2:00 pm

Class Description: Learn how to transform a basic denim shirt (or sweatshirt) into a cute jacket. Simple strip sets are the key to this easy transformation. Once you make one of these quick and easy bargello shirts you won't want to stop until you have a closet full and have made them for all your friends! The pattern calls for ¼ yard each of four coordinating prints but I always get 1/3 yard pieces. That way you have plenty to make your panel as wide as you want/need. As a class bonus we will share some ideas for using any left over strips you may have.

Class Supplies

Sewing machine - in good working order, your 1/4" foot and your favorite topstitching foot

Rotary mat and rotary cutter

Ruler – your favorite for cutting strip sets (for example 6 x 24, 8.5 X 24)

Neutral Thread for piecing

Coordinating thread for topstitching

Scissors

Pencil

Basic sewing supplies (pins, seam ripper, measuring tape, needles, etc.)

Optional (but really handy) Dritz Wonder Tape

Pattern: Bargello Shirts by -----

Fabric: 1/4 to 1/3 yard each of four (4) coordinating prints (1/3 yard works best for sizes large and above) Choose fabrics that coordinate with the color of your shirt.

Shirt: You have choices here –

One (1) denim or twill shirt. Using a men's shirt works best. Women's fitted shirts **do not** work for this project. Shirt can be long or short sleeved and any color denim or twill.

OR

One (1) sweatshirt
