

HEIRLOOM HAND QUILTING - SUPPLY LIST

4 Hour Workshop

1. Basic sewing supplies: small sharp scissors, 6" ruler, note pad, pins, etc.
2. ROUND QUILTING HOOP: This will be a much thicker and sturdier hoop than that used for embroidery.

Size: 14" - Please nothing smaller or larger.

3. Two - 22" squares of unbleached muslin - PRESSED
4. Thimble: Please bring one with a slight ridge at the top, not a rounded top like grandma's. This keeps the needle from slipping. It should fit your middle finger comfortably, not too tight or not too loose.
5. Needle Grabbers. Little circles of rubber used to grab the needle. One package of two.

TEACHER WILL PROVIDE: Batting
Quilting Thread
Quilting Needles

I am looking forward to meeting each of you and spending this time working on our quilting stitch - straight, even, beautiful tiny stitches - every quilter's dream.

Please call if you have any questions.
