

Take 5 -- "Quilter's Choice"

Class taught by Cindy Hofmockel
Saturday, January 28th 10:30-4 PM

Take 5 Book

For the Table
(Table topper & Runner)

Walks around the Block

Gets the Point
(individual pattern)

I am letting you choose the project you would like to make. You can make any of the projects pictured above. The Take 5 book contains "For the Table" and "Walk Around the Block." Take 5 "For the Table" will allow you to make a table runner, table topper, or you can combine the two into a throw-sized quilt. If you choose to make only the table runner, you should have enough time to piece and layer it for quilting. If you choose to do the table topper or one of the quilts pictured instead of the table runner, you may need to finish adding the borders at home. (For reference: I can piece the table topper and quilt it in approximately 4 ½ hours. I can make all 20 blocks needed for the quilts and combine them in about the same amount of time.)
