

# Grand Opening

September 7th-11th

We're getting ready.....Are you?

Wow! We have been working hard to get ready for our Grand Opening on September 7th! We are so excited and can't wait until you get to see our finished product! New fabrics are arriving daily and I can't wait to see the quilts that you all will make with these fabulous fabrics! We also found some fabulous new rulers, notions and gift items!

We have been staining shelves, painting and making some fantastic new

samples for you. The class schedule is in the works and will be posted as soon as we get it finished. You will be able to find it in the shop and on our website.

We have some great new programs that we are anxious to initiate, a Breakfast Club, a Scrap Club, Sew Ins, a Retreat and a Shop Hop. But..... one thing at a time, I'm getting way ahead of myself!

Our website is still in the process and will probably be "Under Construction" for a while.

## England Designs Trunk Show

From September 7th—28th Hoppin Bobbin will feature the work of Cynthia England, an internationally known quilting instructor and quilt pattern designer. Cynthia is most well-known for her Picture Pieced quilts. Cynthia's most recognized quilt, [Piece and Quiet](#), was chosen as one of the "The Twentieth Century's Best American Quilts" in 2000. In addition to this award, Cynthia won Best of Show at the International Quilt Festival in Houston for Piece and Quiet in 1993 and for Open Season in 2000. We invite you to come and see her work and try your hand at her fabulous patterns!

# Moda

We heard the requests and we agree. What is a quilt shop without Moda? So....

We have some fabulous new fabric lines to introduce to you from Moda. How about Kashmir V and Summers End? These incredible

lines have fantastic fall colors and beautiful prints.. There is also a fun fall panel with Salt-box Harvest. You will enjoy the fall leaves and acorns

and of course Dots to compliment it all. We've ordered Jelly Rolls and Layer cakes for our Moda Bakeshop. Now we are waiting to see what you will cook up with these tasty fabrics.

We've also ordered Punctuation and A Simpler Time lines and are anxious for their arrival. And last but not least, Breakfast at Tiffany's has beautiful soft fabrics and a pattern that looks completely different if you mirror the colorways. It was hard to convince everyone that it was actually the same quilt pattern.

We hope you have fun with these lines and are looking to see what new projects you should discover.

## Aunties Two Patterns

Need a new handbag? How about a bath mat? Well, try these wonderful and fun patterns by Aunties Two Patterns. Visit us from September 7th- 21st to see Carol's wonderful designs. We have the Bali Pops or our own Tootsie Rolls! strips! Oh! And we won't forget the clothesline!

## When Life gives you scraps—make a quilt.

Need a big idea with a Tiny pattern? Try *Tiny Ones* on for size. These are great patterns that fit in your pocket; that will help you make projects that will overflow with style! All of their new patterns and samples coming soon!

## Spring Quilt Market 2010

How can I explain Quilt Market? An overwhelming football field sized room with everything you can imagine for quilting. Sound enticing to you? It was amazing! The best in fabrics, patterns, notions and new ideas..... all at your fingertips. The classes and seminars were fantastic and we came home with so many new ideas, I think it will take us years to implement them all!

We met so many friendly people that all had the same passion we do... quilting.

Thanks so much to Pam Lee and Shirley Rouse who at-

tended with us. Their ideas and expertise were invaluable and I so appreciate them being there with us! (I think they had a pretty good time too!) Hey girls, remember to just say "NO".
