**Thank You**

Thanks to all of you who have come in to support us during our opening this month. We are so happy to be here and it has been such a pleasure to meet so many quilters!

We have been overwhelmed by your kind comments about the shop. Just to mention a few: "My new favorite quilt shop", "WOW", "I love it", "Beautiful, comfortable, cozy and welcoming". We thank you all for those kind words. They let us know that the vision we had for the shop was successful. Thanks for all of your input on the suggestion cards and we look forward to putting some of those wonderful ideas into place.

It has been an exciting month. We are looking forward to the classes scheduled over the next few months and are already in the process of scheduling classes, demos and clubs for the first quarter of 2011.
