

On Saturday, February 4, from 9-3, Hoppin Bobbin will host a sewing day for ConKerr Cancer. Prior to this date, we will be collecting fabric donations for this event. So, clean out that closet stash, that you know you will never use and please donate any fabric that you are able, for a worthy cause.

These pillowcases are given to children, in local hospitals, that are going through cancer treatments. They receive a pillowcase upon their arrival for treatment and take it home with them at the end of their stay. So, be part of Miles of Pillowcase Smiles and help a sick child have a better day.

Each pillow requires $\frac{1}{3}$ yard for the top band and $\frac{3}{4}$ yard for the main body. If you are short on fabrics, because you were busy sewing for the holidays, Hoppin Bobbin will have pre-cut pillowcases available for purchase at a 20% discount for all pillowcases or fabrics purchased for this cause.

If you can join us on February 4th, please be sure to bring some fabric, thread, your sewing machine and energy to sew. We will also need “pinners” and “pressers” to help with this event. Lunch and snacks will be provided for, so please let us know if you are available to attend. Please bring your own drinks.

We hope to see you there!

Kelly, Mary Lou, Patrice, Jackie, and Robyn
