This is an easy way to get your feet wet with embroidery in a short amount of time. We will undertake several embroidery projects that each teach a different technique or trick. We will cover all kinds of stabilizers and items to embroider on. This is a beginner's class.

Supplies you will need:

- Your embroidery machine in good working order. Be sure to bring your embroidery machine instruction book if you are sewing on something other than a Bernina.
- All of your accessories including all of your hoops and templates that came with your machine. We will only be covering additional hoops to show you them and tell you briefly how they work.
- Several bobbins wound with bobbin thread and one empty bobbin.
- Embroidery threads in a large variety of colors and shades.
- Needles, size 80 Universal. You will need to bring extra needles.
- Sharp pointed scissors and scissors for cutting stabilizers.
- We will be using 6 different stabilizers, so if you OESD stabilizers at home you may bring it or you can purchase a kit of stabilizers to use for the class.
- Items to embroider on:
 - A terry towel in your favorite color (can be a face or bath towel).
 - An adult T-shirt or sweatshirt (the sweatshirt cannot have an opening down the front).
 - A fat quarter (18"x 22") of fabric that reads as a solid and is a good color for your kitchen.
 - A plain pillowcase (this can be a color, but needs to be a fairly light color).
 - A 12" square of muslin and fabric scraps whose colors work for a flower, leaves and stems.
